### Land Grant Brief Filed.

Washington, D. C.—The government has filed its brief in the Supreme court against the Oregon & California Railroad company in the government's suit to recover 2,300,000 acres of land in Oregon, valued at more than \$30,000,000, granted in 1866 and 1870 to certain railroads upon condition that they would sell the land to settlers at not more than \$2.50 an acre. The government contends that the conditions were broken by the railroads and seeks to have the Supreme court affirm the decision of the lower court.

### Skin'er.

No doubt Jenkins married Lobelia Genoff for love. At any rate beauty can't have had anything to do with it. Her face would have ripened a cheese or stopped a train.

One day, soon after his marriage, Jenkins met a pal and timidly asked him what he thought of Lobelia.

"Help! Don't ask me!" gasped the pal.

"Beauty is only skin deep, your honey!" remonstrated Jenkins, stiffly.

"Skin'er, then, dear chap!" advised the pal. "For heaven's sake, skin'er!"—Exchange.

### Prohibition Attitude in the Senate.

One reason for the remarkable progress that prohibition is making can be found in the attitude of men who themselves take a tolerant attitude toward the use of liquor, but have been impressed by the wreck which is wrought by alcohol all around them. Typical of this is a statement made by Senator Smith of Georgia when announcing that he was going to vote in favor of prohibition for Washington.

"With me opposition to the use of spirituous and intoxicating drink has been a gradual growth. When I leave myself free to think about it and realize the skeletons found in almost every home as a result of its use, I have reached the place where I am willing never to leave it on my table any more, although I enjoy a glass of wine myself; and I am willing in my state and hope in my state this next summer to help make it absolutely dry."

—From Collier's Weekly for February 3rd.

### Gay Life in Brooklyn.

This, remarks the Pittsburgh Post, is how a Brooklynite has spent the 36 years of his life:

We are 36 years of age, and this is how we have spent our time:

One year buttoning our collar.

Two years tying our necktie.

Seven years waiting in barber shops.

Four years looking at punk musical comedies.

Six months sleeping.

Nine years dodging bill collectors.

Two years waiting for trains.

Three years waiting for our wife to get dressed.

Two years chewing tough beefsteak.

Four years looking for jobs.

Six months working.

### 10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

### Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches

come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

### 'S Death on Feathers.

"Mother, has Fido gone to heaven?" asked little Mame, who had been told that a little sister was there.

"Dogs don't go to heaven," said mother, "but little sister is there and she is an angel, you know, with wings."

Mame thought a moment and said: "Maybe it is just as well, for Fido was death on feathers, you know."—Exchange.

### Give Him Time.

"They say his wife has money."

"Well, that isn't his fault. They've only been married a short time."

### The Injured One.

"It would seem," said the tourist, "that you Arkansas people would be quicker to resent the slurs and sneering jokes about yourselves that are constantly being published in the papers?"

"Well," replied Mr. Gap Johnson of Rumpus Ridge, Ark., "I've noticed that when you fling a rock into a pack of dogs the one that hollers is the one that got hit."—Kansas City Star.

For a disordered liver, take Garfield Tea, the Herb Laxative. All druggists.

### A Pattern.

Mrs. Simpson had taken her little daughter out to tea with her, and during the meal was horrified to see the child trying to force a thick piece of bread into a very small pocket.

"Why, Marion," she said in shocked surprise, "what on earth are you doing?"

"That's all right, mother," her small daughter assured her. "I'm just taking this slice back to nurse for a pattern."—Exchange.

### HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you Darken Gray, Faded Hair with Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

### SALTS FINE FOR ACHING KIDNEYS

We eat too much meat which clogs Kidneys, then the Back hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

### She Had Heard of One.

"Whoever saw a perfect man?" asked an evangelist at a revival meeting. "There is no such thing. Every man has his faults, plenty of them."

Of course, no one had ever seen a perfect man, and consequently the statement of the revivalist was received with silence. The revivalist continued:

"Whoever saw a perfect woman?" At this juncture a tall, thin woman arose.

"Do you mean to say, madam," the evangelist asked, "that you have seen a perfect woman?"

"Well, I can't just say that I have seen her," the woman replied, "but I have heard a great deal about her—my husband's first wife."—Pittsburgh Chronicle-Telegraph.

### A Perfect Day.

Leaving against the rail of an East 10th street car one morning when the temperature was below zero, was a big fellow in a fur-lined overcoat and a fur cap. As the car proceeded down-toward it, of course, became jammed with humanity. Girls finally crowded in among the men on the back platform. The man in the fur cap smiled and then, across the crisp zerele air, watted the whistled notes of "A Perfect Day."

"Listen to that guy whistle 'A Perfect Day,'" remarked a half frozen back-platformer. "I don't know whether he's whistling it as a compliment to his furs or to the fact that there are ladies on the back platform."—Indianapolis News.

### Did that itching keep you awake last night?

And how can you expect to sleep tonight unless you do something to relieve the trouble? Eczema and other itching skin troubles don't often heal themselves. But it is surprising how quickly Resinol Ointment heals sick skins.

Almost daily we hear from a skin sufferer who says "Resinol Ointment stopped my itching at once and I got the first good night's sleep I had had in weeks. Now my skin is well." Resinol Ointment is sold by all druggists.

### Thales of Miletus.

The first scientific thinker was Thales of Miletus, born about 636 B. C. He was the first to attempt a logical solution of material phenomena without resorting to mythological representation. In other words, Thales was the first man, so far as we know, to try to find out the actual truth concerning the world we live in, its origin, constitution and destiny.—Exchange.

### Generosity.

"What do you think of our friend, the efficiency expert?"

"He's a wonder. He's something like a fortune teller I once knew. He could make a colossal fortune on his own account if he were not so generous about selling precious information at nominal fees."—Washington Star.

Imperturbable Lawyer—That's all right. I was acting for you, wasn't I?—Boston Transcript.

### Very Puzzling.

Eddie, who had always attended a Baptist Sunday school, was taken on a visit to Sunday school at a Methodist church. "Mamma, how is this?" he said. "I thought you said this was a Methodist Sunday school."

"So it is, my dear."

"Well, but, mamma, the lesson was all about John the Baptist."
