Entered as second class mail matter September 2, 1914, at the postoffice at Maupin, Oregon, under the Act of March 3, 1879.

Maupin is a fine location for a first class steam laundry and a home bakery. The amount of laundry sent from here to outside points and the large quantities of bread and pastry shipped in weekly is amazing. Home industries of these types could get this trade and hold it, together with a considerable patronage from outside and neighboring vicinities. Somebody start something.

If the other fellow could not fix your watch bring it to Emmons the jeweler.
