IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is sign you have
been eating too much
meat.

When you wake up with backache
and dull misery in the kidney region
it generally means you have been eat-
ing too much meat, says a well-known
authority. Meat forms uric acid
which overworks the kidneys in their
effort to filter it from the blood and
they become sort of paralyzed and
loggy. When your kidneys get slug-
gish and clog you must relieve them,
like you relieve your bowels; remov-
ing all the body's urinous waste, else
you have backache, sick headache,
dizzy spells; your stomach sours,
tongue is coated, and when the weath-
er is bad you have rheumatic
twinges. The urine is cloudy, full of
sediment, channels often get sore, wa-
ter scalds and you are obliged to seek
relief two or three times during the
night.

Either consult a good, reliable phy-
sician at once or get from your phar-
macist about four ounces of Jad Salts;
take a tablespoonful in a glass of
water before breakfast for a few days
and your kidneys will then act fine.
This famous salts is made from the
acid of grapes and lemon juice, com-
bined with lithia, and has been used
for generations to clean and stimulate
sluggish kidneys, also to neutralize
acids in the urine so it no longer irri-
tates, thus ending bladder weakness.
Jad Salts is a life saver for regular
meat eaters. It is inexpensive, can-
not injure and makes a delightful, ef-
fective lithia-water drink.

A Complexion That Everyone Admires!

Don't envy a good complexion, have
one. Each time you cleanse your face
with Resinol Soap you give it a "beau-
tiful treatment" with the soothing, heal-
ing Resinol medication. If aided, in
severe cases, by a little Resinol Oint-
ment, this usually leaves the com-
plexion naturally clear, fresh and free
from pimples, redness, roughness and
blotches. Resinol Soap for the sham-
poo keeps the hair live, rich, and free
from dandruff.

Garfield Tea, taken regularly, will correct
both liver and kidney disorders.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm
tender Little Stomach, liver
and bowels.

Look at the tongue, mother! If
coated, y r little one's stomach, liver
and bowels need cleansing at once.
When peevish, cross, listless, doesn't
sleep, eat or act naturally, or is fever-
ish, stomach sour, breath bad; has
sore throat, diarrhoea, full of cold,
give a teaspoonful of "California
Syrup of Figs," and in a few hours
all the foul, constipated waste, undig-
ested food and sour bile gently moves
out of its little bowels without grip-
ing, and you have a well, playful child
again. Ask your druggist for a 50-cent
bottle of "California Syrup of
Figs," which contains full directions
for babies, children of all ages and for
grown-ups.

Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right
with the system full
of poisons.

Millions of folks bathe internally
now instead of loading their system
with drugs. "What's an inside bath?"
you say. Well, it is guaranteed to per-
form miracles if you could believe
these hot water enthusiasts.

There are vast number of men and
women who, immediately upon arising
in the morning, drink a glass of real
hot water with a teaspoonful of lime-
stone phosphate in it. This is a very
excellent health measure. It is in-
tended to flush the stomach, liver, kid-
neys and the thirty feet of intestines
of the previous day's waste, sour bile
and indigestible material left over in
the body which if not eliminated every
day, become food for the millions of
bacteria which infest the bowels, the
quick result is poisons and toxins
which are then absorbed into the blood
causing headache, bilious attacks, foul
breath, bad taste, colds, stomach trou-
ble, kidney misery, sleeplessness, im-
pure blood and all sorts of ailments.

People who feel good one day and
badly the next, but who simply can
not get feeling right are urged to
obtain a quarter pound of limestone
phosphate at the drug store. This
will cost very little but is sufficient
to make anyone a real crank on the
subject of internal sanitation.

Just as soap and hot water act on
the skin, cleansing, sweetening and
freshening, so limestone phosphate and
hot water act on the stomach, liver,
kidneys and bowels. It is vastly more
important to bathe on the inside than
on the outside, because the skin pores
do not absorb impurities into the
blood, while the bowel pores do.

If you care for heavy hair that glist-

Just one application doubles the
beauty of your hair, besides it imme-

heavy, healthy hair if you have dan-
druff. This destructive scurf robs the
hair of its lustre, its strength and its
very life, and if not overcome it pro-
duces a feverishness and itching of the
scalp; the hair roots famish, loosen
and die; then the hair falls out
fast. Surely get a 25-cent bottle of
Knowlton's Danderine from any drug
store and just try it.

With the Fingers! Says Corns Lift Out Without Any Pain

You reckless men and women who
are pestered with corns and who have
at least once a week invited an awful
death from lockjaw or blood poison
are now told by a Cincinnati authority
to use a drug called freezone, which
the moment a few drops are applied
to any corn or callous the soreness is
relieved and soon the entire corn or
callous, root and all, lifts off with the
fingers.

Freezone dries the moment it is ap-
plied, and simply shrivels the corn or
callous without inflaming or even ir-
ritating the surrounding tissue or
skin. A small bottle of freezone will
cost very little at any of the drug
stores, but will positively rid one's
feet of every hard or soft corn or
hardened callous. If your druggist
hasn't any freezone he can get it at
any wholesale drug house for you.

THE NEWEST REMEDY FOR Backache, Rheumatism and Dropsy.

Kidney, Bladder and Uric Acid troubles
bring misery to many. When the kidneys
are weak or diseased, these natural filters
do not cleanse the blood sufficiently, and
the poisons are carried to all parts of the
body. There follow depression, aches
and pains, heaviness, drowsiness, irrita-
bility, headache, chilliness and rheu-
matism. In some people there are sharp
pains in the back and loins, distressing
bladder disorders and sometimes obsti-
nate dropsy. The uric acid sometimes
forms into gravel or kidney stones. When
the uric acid affects the muscles and
joints, it causes lumbago, rheumatism,
gout or sciatica. This is the time to try
"Anuric."

During digestion uric acid is absorbed
into the system from meat eaten, and
even from some vegetables. The poor
kidneys get tired and backache begins.
This is a good time to take "Anuric,"
the new discovery of Dr. Pierce for Kid-
ney trouble and Backache. Neglected
kidney trouble is responsible for many
deaths, and Insurance Company exam-
ining doctors always test the water of an
applicant before a policy will be issued.
Have you ever set aside a bottle of water
for twenty-four hours? A heavy sedi-
ment or settling sometimes indicates kid-
ney trouble. The true nature and char-
acter of diseases, especially those of the
kidneys and urinary organs, can often
be determined by a careful chemical an-
alysis and microscopic examination—
this is done by expert chemists of the
Medical Staff of the Invalids' Hotel. If
you wish to know your condition send a
sample of your water to Doctor Pierce's
Invalids' Hotel, Buffalo, N. Y., and de-
scribe your symptoms. It will be ex-
amined without any expense to you, and
Doctor Pierce or his Staff of Assisting
Physicians will inform you truthfully.

KNOW YOURSELF!

Read all about yourself, your system,
physiology, anatomy, hygiene, simple
home cures, etc., in the "Common Sense
Medical Adviser," a book of 100 pages.
Send to Dr. V. M. Pierce, Buffalo, N. Y.,
three dimes or thirty cents in one-cent
stamps for a cloth-bound copy.

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach,
Sluggish Liver and Bowels—They
work while you sleep.

Furred Tongue, Bad Taste, Indiges-
tion, Sallow Skin and Miserable Head-
aches come from a torpid liver and
clogged bowels, which cause your
stomach to become filled with undig-
ested food, which sours and ferments
like garbage in a swill barrel. That's
the first step to untold misery—indig-
estion, foul gases, bad breath, yellow
skin, mental fears, everything that is
horrible and nauseating. A Cascaret
tonight will give your constipated
bowels a thorough cleansing and
straighten you out by morning. They
work while you sleep—a 10-cent box
from your druggist will keep you feel-
ing good for months.
