**YES! MAGICALLY!**  
**CORNS LIFT OUT**  
**WITH FINGERS**

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn or callus, stops soreness at once and soon the corn or hardened callus loosens so it can be lifted out, root and all, without pain.

A small bottle of freezone costs very little at any drug store, but will positively take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

Jack Johnson, a native of Georgia, was summoned to court on an assault charge. The state brought into court the weapons used—a huge pole, a dagger, a pair of shears, a saw and a gun. Jackson's counsel produced as the complainant's weapons an ax, a shovel, a scythe, a hoe and a pair of tongs. The jury was out but a short while and returned with this verdict: "Resolved, That we, the jury, would have given \$5 to see the fight."—Santa Fe Magazine.

Why he Came Home.

Roscoe Boone, a Muncie electrical contractor, went home late the other afternoon to find Mrs. Boone entertaining a company of women at cards. He had forgotten about the party, and besides it was the usual period of the day for him to remember about the evening meal.

"Oh, Mr. Boone," said one of the guests as he stumbled upon the room filled with women, "did you come home to supper?"  
"Oh, no; not at all," he replied gallantly, even if somewhat confusedly. "I just came home to see what time it was."—Indianapolis News.

**TAKES OFF DANDRUFF, HAIR STOPS FALLING**  
Save your Hair! Get a 25-cent bottle of Danderrine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderrine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderrine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little danderrine. Save your hair! Try it!

**Look and Feel**  
**Clean, Sweet and**  
**Fresh Every Day**

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning insulin bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, biliousness, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store, which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

Dr. Pierce's Pleasant Pellets are the original little liver pills put up 40 years ago. They regulate liver and bowels.

**LADIES! DARKEN YOUR GRAY HAIR**

Use Grandma's Sage Tea and Sulphur Recipe and Nobody will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

**IF YOUR CHILD IS CRO S, FEVERISH, CONSTIPATED**

Look Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

Didn't Mean It That Way.

An old lady who had been introduced to a doctor, who was a professor in a university, felt somewhat puzzled as to how she would address the great man.

"Shall I call you 'doctor' or 'professor'?" she asked.

"Oh! just as you wish," was the reply; "as a matter of fact, some people call me an old idiot."

"Indeed," she said sweetly. "But, then, they are people that know you."—Pittsburg Chronicle.

The Boston Way

They tell in Boston a story about Margaret Deland, the novelist.

A lank little girl at a Cambridge tea walked up to Mrs. Deland and said to her in a loud voice:

"I think you are a wonderful genius."

All within hearing applauded, and Mrs. Deland blushed with delight, kissed the lank child and asked:

"Why do you say that, my love?"

"Because," said the little girl, "mother told me to."—Exchange.

**MEAT CAUSE OF KIDNEY TROUBLE**

Take Salts to flush Kidneys if Back hurts or Bladder bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with litmus, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

A Lesson in Grammar.

Grace's uncle met her on the street one day and asked her whether she was going out with a picnic party from her school.

"No," replied the 8-year-old niece, "I ain't going."

"My dear," said the uncle, "you must say 'I ain't going.' You must say 'I am not going.' And he proceeded to give her a little lesson in grammar. "You are not going. He is not going. We are not going. You are not going. They are not going. Now, can you say all that?"

"Sure I can," responded Grace, heartily, "There ain't nobody going."

**Too Many Operations**

**The Right Medicine in Many Cases Does Better than the Surgeon's Knife. Tribute to Lydia E. Pinkham's Vegetable Compound.**

**Doctor Said Operation or Death—But Medicine Cured.**

Des Moines, Iowa.—"My husband says I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound. I suffered from a serious female trouble and the doctors said I could not live one year without an operation. My husband objected to the operation and had me try Lydia E. Pinkham's Vegetable Compound. I soon commenced to get better and am now well and able to do my own housework. I can recommend Lydia E. Pinkham's Vegetable Compound to any woman as a wonderful health restorer."—Mrs. BLANCHIE JEFFERSON, 703 Lyon St., Des Moines, Iowa.

**Another Operation Avoided.**

Richmond, Ind.—"For two years I was so sick and weak from female troubles that when going up stairs I had to go very slowly with my hands on the steps, then sit down at the top to rest. The doctor said he thought I should have an operation, and my friends thought I would not live to move into our new house. My daughter asked me to try Lydia E. Pinkham's Vegetable Compound as she had taken it with good results. I did so, my weakness disappeared, I gained in strength, moved into our new home, do all kinds of garden work, and raised hundreds of chickens and ducks. I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound."—Mrs. M. O. JOHNSON, Route D, Box 190, Richmond, Ind.

Of course there are many serious cases that only a surgical operation will relieve. We freely acknowledge this, but the above letters, and many others like them, amply prove that many operations are recommended when medicine in many cases is all that is needed.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
