The University of Oregon is considering a plan of sending professors along with military organizations. If the war department will permit such an arrangement, according to an announcement by President P. L. Campbell. The purpose of the plan is to permit students to continue studies while in the service.

Ephraim Barnes, supervisor of the Minam forest, has received a telegram from headquarters to the effect that all stockmen holding permits to graze stock in the reserve will not be compelled to relinquish their permits upon enlisting in the army. Each will be required only to notify the office of his enlistment and other herds will be substituted until his return.

### COLONEL DOYEN

Col. C. A. Doyen, commander of the marines to go to France as part of General Pershing's force.

### OREGON VOTES FOR ROAD BONDS

Portland, Or.—By a decisive vote the people of Oregon authorized the \$8,000,000 road-bonding bill, which means the construction of a comprehensive system of permanent highways.

Multnomah county gave an almost overwhelming vote for the bill, and many of the up-state counties report a surprisingly heavy favorable majority.

George L. Baker led W. H. Daly on first, second and third choice votes for Mayor of Portland, and returns show A. L. Barbur and John M. Mann were selected for city commissioners.

The bonds for a bulk grain elevator carried. The two proposed charters, intended to knock out commission form of government, were each defeated and the voters also defeated the two-platoon system for firemen, the free streets for jitneys, and the proposal for interchange of telephone connections.

### TONG FIGHT IS FATAL

Dozen Chinese Battle on Streets of Portland.

Portland, Or.—Two Chinese belonging to the Bing Kung-Bow Leong tong were killed, one was mortally wounded and several Americans were wounded in a running fight engaged in between Bing Kung-Bow Leong gunmen and Sney Sing gunmen on Flanders and Sixth streets and Broadway.

The shooting marked a recurrence of the tong war following an ineffective attempt to bring about a peace treaty at San Francisco.

Warrants for the wholesale arrest of the officers and members of the Hop Sing and Sney Sing tongs were issued from the office of the district attorney following the shooting.

Lumber for Wooden Ships Ordered.

Washington—Lumber for 100 wooden ships has been ordered from members of the Southern Pine association by Major General George W. Goethals, general manager of the shipping board's emergency fleet corporation. The price is \$35 a thousand feet at the mills. The orders call for approximately 140,000,000 feet.

Dry Law Suspended by Petitions.

Olympia, Wash.—E. M. Williams, of Seattle, filed with the secretary of state petitions for a referendum vote on the bone-dry prohibition law passed by the 1917 legislature. The petitions bore 24,200 names, 23,957 being required.

Benson Threatens to Quit Socialists.

Yonkers, N. Y.—Allan L. Benson, Socialist presidential candidate at the last election, will resign from the party if it does not, as a whole, repudiate anti-draft resolutions adopted at its St. Louis meeting.
