The Two Prayers

I knelt at the feet of Wisdom,
Atheist, an-hungered for Fame,
I prayed for the key to knowledge
That would my ambition gain.
"O light me the fires of genius,"
In impassioned tones I cried;
"Pan them into a raging flame,"
Wisdom sadly replied.
"Go strive for the things you crave
There is naught that I can do!
Succeed or fail, whichever you may
It rests alone with you.
There is no royal road
To the place where you aspire,
But you must gain what'er you
crave
By the strength of your desire."
I knelt at the feet of the master,
I prayed to be free from sin,
My soul was weary with striving;
I longed for the peace within,
I cast my desires that were carnal,
I destroyed them one by one;
I surrendered myself completely
And said, "Thy will be done."
"Go work out your own salvation
In fear and trembling," said he,
"By their fruits they shall be known
This for man as well as for tree,
And the talents I left in your
keeping,
I will require them all again,
So be not weary in doing well."
And humbly he said, "Amen!"

**RED CROSS GIVEN
MORE THAN ASKED**

**\$1,000,000 Fund Is Oversub-
scribed By American
People.**

Washington.—Over-subscriptions of
the Red Cross hundred million dollar
war fund was assured Monday
night when the eighty campaign
closed with final raises in hundreds
of American cities.
The national contributions to the
Red Cross were estimated at \$114,000,
000 by Henry P. Davison, chairman of
the Red Cross war council.
More than 199 of the larger cities
raised more than their allotments.
Among the states which exceeded
their quotas were Oregon, Colorado,
Wyoming, Utah and Idaho. All por-
tions of the country except the south,
with the possible exception of the
south.
Ten million dollars of apparent
over-subscription may be necessary, it
was said, to make the actual collec-
tions equal \$100,000,000, owing to the
possibility of duplicate recording. The
next two or three weeks will be de-
voted to gathering in the money prom-
ised in individual pledges.

WEST EXCEEDS QUOTA

Nearly All Towns Report Their Al-
lotments Left Far Behind.

San Francisco.—Reports received
here by the general campaign commit-
tee of the Red Cross indicate that the
cities and towns of the Pacific coast
from the northern boundary to the
Mexican line have nearly all exceeded
their quotas in the drive for a fund
of \$100,000,000.

Seattle, Portland, San Francisco,
Los Angeles, Santa Barbara, San Die-
go and many smaller coast cities re-
ported excesses ranging to twice their
original allotments or more.

Washington Exceeds Quota.

Seattle.—Charles E. Peabody, chair-
man of the state Red Cross commit-
tee, announced that the contributions
for the state already totaled \$1,440,000
and would exceed \$1,500,000 on the
final count. Washington's quota is
\$1,600,000.

Oregon Gives Million.

Portland, Ore.—Portland doubled its
quota for the Red Cross by subscrib-
ing a total of \$600,000. The total for
the state outside of Portland will
reach at least \$800,000. With the
\$400,000 raised in Portland, this will
give Oregon a grand total of \$1,200,
000.

Idaho Is Generous.

Boise, Idaho.—Idaho's Red Cross
gift was announced as \$435,000. The
quota originally set was \$250,000.

**4 MILLION OFFER
3 BILLION FOR WAR**

Washington.—Liberty loan subscrip-
tions totaled \$3,035,236,520, an over-
subscription of nearly 52 per cent.

The final tabulation showed that
more than 4,000,000 persons bought
bonds. Ninety-three per cent of sub-
scriptions, or those of 3,300,000 per-
sons, were for sums varying from \$50
to \$10,000, while 21 subscribers ap-
plied for allotments of \$5,000,000 each
or more.

The New York federal reserve dis-
trict led the list with subscriptions
totaling \$1,326,738,400, or more than
three times the amount subscribed in
the next district, Chicago, \$347,195,950.

Allotments will be made, Secretary
McAdoo announced, as follows:

On subscriptions up to and includ-
ing \$100,000, 60 per cent of the amount
subscribed, but not less than \$10,000
in any instance. More than \$100,000
up to and including \$250,000, 45 per
cent of the amount subscribed, but
not less than \$50,000 in any instance.
More than \$250,000 up to and includ-
ing \$500,000, 30 per cent, but not
less than \$112,500 in any instance.
More than \$500,000 up to and includ-
ing \$1,000,000, 25 per cent, but not
less than \$250,000 in any instance.
More than \$1,000,000 up to and includ-
ing \$10,000,000 each, 21 per cent.

Allied Blockade of Greece Lifted.

Washington.—Lifting of the allied
blockade of Greece was announced in
a brief cablegram to the state depart-
ment from Minister Droppers at
Athens. This is taken here to mean
that the allies are satisfied with the
Greek situation and that there is no
further need to apply repressive or
punitive measures.

Irish Victims Shot Down.

Cork.—Machine guns were used on
Sinn Feiners in disturbances here.
They were brought into action after
the police with clubs had failed to
restore order. One man was killed,
and the number of persons injured
more or less seriously is given as
about 20.

**Farmers Everywhere Prefer
Case Threshing Rigs**

Three threshermen buy Case thresher rigs each year to one
who buys any other make. If they prefer Case, there must be
a reason why you should.

Their chief reason lies in the quality produced by Case
experience of three-quarters of a century. That experience
means satisfaction to them—and to you.

We can supply you with any size tractor and thresher you
need, but the Case 12-25 shown above is one of the handiest
models. It will run a 20-hp. or smaller Case Thresher and
will do almost any job on the farm. Ask for catalog or inquire
of us for full particulars.
