TEUTON SPIES ACTIVE

Try to Paralyze Traffic and Hinder Movement of Coal—Authorities Alert and Guards Doubled.

New York—Definite information said to have been obtained by the government that German agents had been instructed to use all means to paralyze the effort to move freight and clear ships is understood here to be responsible for the doubling of guards Tuesday at all piers, shipyards and terminals.

Copies of instructions sent to German agents by the headquarters of the German spy system are reported to have been obtained by agents of the United States government.

Orders were received here Monday night to take all precautions to prevent attempts to do damage.

Guards of all kinds, military and private, have been doubled at all points where shipping and shipping interests are concerned.

In addition to extra guards, it was learned that orders were also issued to scrutinize with more than usual care the credentials of persons seeking to pass the barred zones.

The orders came from Washington and were issued by telegraph. It was learned they called for prompt action. It is understood they applied not only to New York, but to every port on the Atlantic and Gulf coasts.

General observance of the first heatless Monday was reported throughout the country.

Many railroads were assisting in the effort to supply homes and trans-Atlantic shipping with coal, and were moving little general freight.

Coal and food were virtually the only commodities moving, aside from a small amount of necessary war supplies.

The volume of coal reaching seaboard for bunkering ships was steadily increasing.

State Fuel administrators reported most office buildings, although permitted certain exemptions, were burning only enough coal to prevent freezing of pipes.

Department stores and other establishments generally were closed.

SAGE TEA BEAUTIFIES AND DARKENS HAIR

Don't Stay Gray! It Darkens So Naturally that Nobody can Tell.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.—Adv.

Old Man—Well, what's your name?
Boy—D-don't know, sir. M-mother got married again this morning.—Exchange.

ALL MEN AT HOME SHOULD PREPARE FOR WAR.
The first test a man is put thru for either war or life insurance is an examination of his water. This is most essential in causing premature old age and death. The more injurious the poisons passing thru the kidneys the sooner comes decay—so says Dr. Pierce of Surgical Institute, Buffalo, N. Y., who further advises all people who are past thirty to preserve the vitality of the kidneys and free the blood from poisonous elements, such as uric acid—drink plenty of water—sweat some daily and take Anuric, double strength, before meals.

This Anuric is a late discovery of Dr. Pierce and is put up in tablet form, and can be obtained at almost any drug store. For that backache, lumbago, rheumatism, "rusty" joints, swollen feet or hands, due to uric acid in the blood, Anuric quickly dissolves the uric acid as hot water does sugar. Take a little Anuric before meals and live to be a hundred. Send 10 cents to Dr. Pierce for trial package of Anuric.—Adv.

To Discuss Grain Handling.
Colfax, Wash.—There is much divergence of opinion among farmers and grain men in Whitman county over the sack or bulk methods of handling grain, and the question will probably come up for further discussion at the next meeting of the patriotic league. Advocates of both systems will be heard. A number of farmers have announced that they will begin as soon as lumber and carpenters can be secured, to build bulk warehouses on their own lands and at railroad stations and will handle their grain in bulk this year.

SALTS IF BACKACHE AND KIDNEYS HURT

Stop eating meat for a while if your Bladder is troubling you

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Adv.
