The Cow's Health—First of All

To think of the milk yield first and the cow's health afterward is putting the cart before the horse. Many "poor milkers" only need to have their systems working properly to become good producers.

KOW-KURE, the great cow medicine, makes cows healthy and keeps them healthy. Working on the digestive and genital organs, it is a prompt, sure remedy for Abortion, Barrenness, Retained Afterbirth, Scouring, Lost Appetite and Bunches. Try **KOW-KURE**; druggists and feed dealers sell it—50c and \$1.50 packages.

Safety First.
I was returning home the other evening about 6:30 o'clock when I saw Tommy, my neighbor's boy, "lagging for line" with pennies, with a crowd of other boys. I knew that his family always had supper at 6 o'clock sharp, so I said: "I'll bet you 5 cents you'll miss your supper, Tommy."
He grinned up at me saucily and replied: "Then you lose your bet, 'cause I got the chops right here with me. Ma sent me for 'em at 5 o'clock."—Everybody's Magazine.

New Servant Girl Story.
The wife of a successful young literary man had hired a buxom Dutch girl to do the housework. Several weeks passed and from seeing her master constantly about the house, the girl received an erroneous impression.
"Oggaccuse me, Mrs. Blank," she said to her mistress one day, "but I like to say somedings."
"Well, Rena?"
The girl blushed, fumbled with her apron, and then replied, "Vell, you pay me four tollars a week—"

War Recipes

Cut out the following recipes and paste them in your cook book to help you Hooverize. They have been thoroughly tested by instructors and special lecturers in the department of economics at the University of Washington.

Eggless Rye Muffins—2 c rye flour, 4 tsp baking powder, 1/2 tsp salt, 4 tsp sugar, 1 c milk, 1 tsp melted fat. Mix dry ingredients, add milk and melted fat and bake in a hot oven.

Rye Biscuits—1 c white flour 1 c rye flour, 5 tsp baking powder, 2 tsp shortening, 1 c milk, 1/2 tsp salt. Mix dry ingredients and sift twice. Work in shortening with tips of fingers, add gradually the liquid, mixing with a knife to soft dough. Pat and roll lightly on a floured board to 1/2 inch thickness. Cut with biscuit cutter, place on buttered pan and bake in hot oven.

Graham Biscuit—1 c white flour, 1 c graham flour, 5 tsp baking powder, 2 tsp shortening, 1 c milk, 1/2 tsp salt. Mix dry ingredients and sift twice. Work in shortening with tips of fingers, add gradually the liquid, mixing with knife to soft dough. It is impossible to determine exact amount of liquid, owing to difference in flour. Pat and roll lightly on floured board to 1/2 inch thickness. Cut with a biscuit cutter, place on buttered pan and bake in hot oven.

Not only can yeast breads and hot breads be made with other flours than white, but cakes made with rye and graham flour are light, attractive and delicious. Spices mask the strong taste of the rye.

Boston Favorite Cake—2-3 c shortening (Cottolene, Kream Krisp, oleomargarine, drippings), 2 c sugar, 4 eggs, 1 c milk, 3/4 c flour (equal parts graham and rye), 1/2 tsp salt, 5 tsp baking powder, 1/2 tsp cinnamon, 1/2 tsp cloves. Cream shortening, add sugar gradually, eggs beaten until light, then milk, and then flour mixed and sifted with baking powder. This recipe makes two loaves. If flavor of graham flour and rye is too prominent, use a little more spice.

Coffee Cake Without Shortening.—3 eggs, 1 c sugar, 1 c molasses, 1 c coffee, 2 tsp cinnamon. 1 tsp cloves, 1 tsp allspice, 1 tsp soda, 1 lb. raisins, 2 1/2 c rye flour, 2 1/2 c white flour. Mix dry ingredients, add molasses, coffee and beaten eggs and raisins.

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

The Gift Priceless.

Society Item.—The gift of the bride's father was simply stunning in its magnificence. Immediately after the ceremony a huge wagon was backed up to the house and a ton of coal was dumped on the parlor floor. In deep chagrin the father of the groom was seen to seize a certified check he had given the happy couple and tear it into fragments.—Boston Transcript.

Profiteering.

"We don't want prices to go up here as they have gone up in Europe," said Senator Jones of Washington.
"I heard the other day about a French wine merchant who said to an old patron:
"Look here, sir; if you won't pay me for that wine you just bought before the war, at least send me back the empty bottles."
"Humph," said the former patron, "glass has gone up a lot, you know. What cash allowance do I get per bottle?"—Washington Star.

Hurrah! How's This

Cincinnati authority says corns dry up and lift out with fingers.

Ouch ! ? ! ? ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn or hardened callous stops soreness at once, and soon the corn or callous dries up and lifts right off without pain.
He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callous from one's feet. Millions of America's women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezone tell him to order a small bottle for you.—Adv.
