Candidates' Notice

County Treasurer
To the republican voters of Wasco county:

I wish to announce myself as a candidate for the nomination of county treasurer, subject to the will of the republican voters at the primary election, May 17, 1918.

Oliver B. Krier.

Sheriff

I hereby desire to announce myself a candidate for the nomination for county sheriff, subject to the will of republican voters, at the coming primary nominating election. Should I be nominated and later elected to said office, I will continue, as in the past, to enforce the laws and conduct the office in a courteous and economical manner.

Levi Chrisman.

County Treasurer

To the republican voters of Wasco county:

I shall be a candidate for the republican nomination for county treasurer at the primary election, May 17, and shall be grateful for your support. If elected I will conduct the office to the best of my ability and according to law.

Ernest Willerton.

Circuit Judge

In June, 1917, the appointment was given me to succeed the late Judge W. L. Bradshaw as Circuit Judge. Under the law this appointment held only until the next general election and this office is one of those which the people will be called upon to fill next November. During the last nine months I have endeavored to fulfill the duties of Circuit Judge faithfully and justly, without any fear and without any favor. If it is agreeable to the voters of the Seventh Judicial District, I should like to be elected as Judge Bradshaw's successor and therefore announce my candidacy for the republican nomination for Circuit Judge.

I can promise nothing more for the future than I have tried to do since last June, except that added experience should bring greater efficiency.

Fred W. Wilson.

For Representative

After much consideration I have decided to become a republican candidate for representative from Wasco and Hood River counties, in which district I have lived for 40 years. I feel acquainted with the needs of the people, and should be glad of the opportunity to serve the best interests of the two counties.

W. C. Bolton.

Some of the farmers don't like to be skinned, but Dad Coale still buys skins and hides.
