THE YEAR \$1.50

From France

May 17, 1918.

Mr. N. W. Flinn,
Wapinitia, Ore.
Kind friends:

I just received your card as greetings from the Christian Endeavor, and I had a pleasant Easter Sunday, and I thank them for their kindness towards me. This leaves me well and I hope that these few lines find you folks all the same.

How are the folks around home anyway. I have received but one letter from Millers since I crossed the pond.

We had some time coming across. Everything went nicely until Kaiser Bill got after us, and I guess the good Lord was with us. Then it wasn't so scary as it might have been. I wouldn't

have missed it for anything, but I wouldn't want to go through it again. I sure would like to get hold of the Kaiser myself. I think I could handle him.

I guess you were never in this country; it is sure a nice country, most beautiful place I ever saw. Some of the nicest roads, smooth as a floor and straight as a line

could be. We have a Y M C A here and have some nice times in it. It is sure great what the association does for the soldier boys. It keeps them in camp for there is amusement most of the time of evenings. We have had our Y M C A only a few days.

Well I guess your boys are in the army by now. I sure have seen some of the world since I enlisted, more than I ever expected to see. I will have time to talk about when I get back and I hope that I get to see more. The more a man sees the more he wants to see. Of course I can't tell what I have seen but I can tell it when I get back and I hope that won't be very long either. I don't want to come home until we get the Kaiser hanged to a limb.

Well give my regards to the boys and all the rest.

I remain as ever, yours truly,
