Cavallo Working

The Dalles, Oregon, Aug. 15.

Mrs. W. L. Morrison: I am just in receipt of a letter from Mr. Cavallo written at Bordeaux on July 22, 1918, so appears that the report of his death which was current here and which you published in issue of May 10, is erroneous. From Mr. Cavallo's letter I find that he has not even been wounded but is working hard, "fat and sassy" and in his usual good health, so please correct your former erroneous report. Respectfully yours, John Gavin.
