Wintergreen.
Technically, the wintergreen, or, as it is sometimes called, the checkerberry, or mountain tea, is a member of the health family. The plant is slender of stem; and from three to six inches in height and leafy at the summit. The leaves are oval, shining evergreens, the flowers white. The blossom itself is urn-shaped and segmented into five small teeth. The fruit is, of course, the familiar red, globular berry.

Llamas Burden Bearers.
Llamas are employed in transport work in Peru. These animals work in herds of about a hundred, and each carries a load equivalent to a hundred-weight. After two weeks' work each llama has a week's rest.

Credit Goes to Pennsylvania.
Judge Jesse Fell of Wilkes-Barre, Pa., although he was not the discoverer of anthracite, is generally given credit for its introduction as a fuel.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat which clogs Kidneys, then the Back hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Everyone Should Drink Hot Water in the Morning

Wash away all the stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well-known physician.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify and freshen the entire alimentary tract, before putting more food into the stomach.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation. As soap and hot water act on the skin, cleansing, sweetening and purifying, so limestone phosphate and hot water before breakfast, act on the stomach, liver, kidneys and bowels.

Ain't It Funny.
When we say a man lives under his income, we mean that he lives on it.

Dr. Pierce's Pellets are best for liver, bowels and stomach. One little Pellet for a laxative—three for a cathartic.

Spasmodic Sermon.
The world may owe every man a living but most of us have a good deal of trouble in making the collection.

Testing a Bee's Speed.
An experiment was once made to see how fast a bee could fly. The hive was attached to the roof of a train which attained a speed of 30 miles an hour before the bee was left behind.

Building Stalwart Character.
Stalwart character, that invaluable possession which, partly because it is an invisible possession, often is hard to understand, is just the net result of daily devotion to duty.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift off without a particle of pain or soreness. This drug is called freezone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous. Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers. This drug freezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.—Adv.

ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

Hellam, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. I felt all run down and was very weak. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you permission to publish this letter."—Mrs. E. R. CRUMMING, R. No. 1, Hellam, Pa.

Lowell, Mich.—"I suffered from cramps and dragging down pains, was irregular and had female weakness and displacement. I began to take Lydia E. Pinkham's Vegetable Compound which gave me relief at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. ELISE HEIM, R. No. 6, Box 83, Lowell, Mich.
