THE President has expressed what is in every American heart. As a nation we will do not be the winning of this war. As a mation we stand behind our fighters eager and preserve to do for them . whatever will hasten victory and make the fighter's task a little lighter.

As individuals there is little war can do. As a nation we can work wonders through the seven organizations authorized and recognized are the Government.

They come to you not as Callolics, nor as Jews

It rests with you. Think of this campaign as your sole responsibility. What you give will mean its success. You cannot leave this undertaking to others. It is YOUR campaign. In France, Americans are fighting this war as if the result depended on the way each individual fights. At home, this campaign rests with you. What will you give—decide to ngat—and make your share the biggest thing you ever did!

Why you should give twice as much as you over gave before! The need is for a sum 70% gives then any gift ever asked for since the world begon. The Government was fixed this sum at \$10° arrived. By griding to these seven the second all at once, the cost and effort of six additional compaigns is saved. Unless Americans do give twice as much as ever before, our soldiers and much a may not enjoy during 1919 their

nor as Protestants, not as the rear intatives of any creed or enterprise, but as Americans to ask that you join in this great united undertailing for God, and country and our fighters.

The President has voiced his belief that this spirit of unity will be "crowned with ab and ant success."

He believes it because he known to a campaign is "of vital military value" and he have not but you will leave nothing undone to win this war.

When you give double, you take more that every lighter has the cheer and comforts of these assess organizations every step of the every in home to the front and back again. You provide him with a charreb, a theatre, a cheerful hore, a second achool, a club and an athletic field-and a knowledge that the toke back bone are with him, heart and exual

You have loaned your money to supply their physical needs. Now give to maintain the Liouals that is winning the wark
