Chinook wind, rain, sunshine and freezing is the order of the weather the past few days, and at present the creeks are very high. About 6 inches of snow fell here Tuesday night, but is rapidly disappearing, but none of the water is getting in the ground as it's frozen several inches deep. The ice on the creeks and ponds is about 12 inches thick and the

water is running on top of it which is causing them to overflow. Dr. Dodds of Dufur has been called her several times the past week to see the Weberg family.

Mrs. Ball of Idaho who has been visiting her mother Mrs. Will Maynard went to the Agency the last of the week where she has secured employment.

Dr. Shannon was called to see Stillman Goodenough Tuesday. Most all the influenza cases in the Pine Grove district are on the improve.

Mr. and Mrs. Rice received a telegram Thursday evening from their son Arthur, saying he was well and had landed at Newport, Virginia, that day at 2 p. m.

Five members of the Weberg family are still down in bed including the mother. It is thought that they are enroute to recovery.

Mrs. Annie Smith, a sister of Mr. Weberg has been there continuously, helping care for them, and Mrs. H. N. Dodge went there Monday.

Mrs. Cyr and daughter Mabel returned from a two weeks' stay in Spokane, Wn. While there they were both attacked by the flu, but have entirely recovered.

Mr. Johnson of Portland is visiting Bill McClain this week.

Mr. and Mrs. Julius Shepfin and children who have all been down with the flu are able to sit up at present.

Mrs. W. B. Keen received word from Portland that Mrs. Hedin was improving.

No new cases of the flu have made their appearance here yet but the ban is on.

Geo. Nelson, a brother of E. L. Nelson whom he had not seen for twelve years arrived here Thursday from Idaho.

Mrs. Leander Walters received word last week that her daughter Agnes who has been attending school in Dufur was down with the flu, but was improving.

Erma Smith came home from The Dalles last week.

Word was received here this week that Robert Tapp who has been in the navy, and Binkie Tapp who has been at Camp Lewis had each received their discharge and are home.

Thelma, the year-old baby of Mr. and Mrs. Ed Davis, passed away this morning, Thursday, at 5:40. In terment will be made in the Kelly cemetery Friday. The little one had been a delicate child all her life, but had gotten better this fall, until the family has been down with the epidemic, which proved too much for the delicate constitution. Two members of the family are now at Bend visiting.

The Portland Painless Dentist office will be open and ready for business on and after January 12, 1919. All work guaranteed. W. T. Slatten, D. D. S., Prop., 305 Second St., The Dalles.

## Wamic News

Jan. 13, 1919

The news reached this place late Wednesday afternoon of the death of Mrs. Frankie Gulliford in Portland at 3 o'clock that afternoon. The news was a shock to the many relatives and friends here who were not aware of her sickness. She died of Spanish influenza after a few days' illness. She was the only child of Henry and Lydia Patison. She was born here and spent much of her childhood in this vicinity, where her loving disposition and sweet tem-

perment won the hearts of all who knew her, and her passing away is mourned by the whole community. Only two days passed after her death until her husband, Will A. Gulliford succumbed to the same malady, dying at 6 o'clock Friday evening. Mr. Gulliford was a native of the Dufur vicinity and the only child of Mr. and Mrs. J. A. Gulliford, old time residents of that place. He made many visits here with Mrs. Gulliford and won many warm friends who are deeply saddened by his death. Mr. and Mrs. Gulliford left one child, a daughter, Veona, aged 10 years, who is ill with the same disease, but hopes of her recovery are entertained by those who are attending her. The remains of the husband and wife were conveyed to Dufur yesterday and interment was made late in the afternoon.

The breaking up of the cold spell the latter part of the week was followed by a shower of sleet which terminated in a fall of snow Friday night, to a depth of four inches. Chinook winds Saturday and Sunday melted much of the snow and the south hillsides are practically bare.

Dr. Shannon was called from Maupin Thursday to attend little Alvin, the 2 1/2-year-old son of Mr. and Mrs. J. H. Ward who was very ill with tonsillitis. The child is improving.

School was closed last week after two days' session in Prof. Ward's room. The teacher was detained at home by the illness of his child.

Word reached Mr. and Mrs. Mike Kennedy last week that their son J. E. Kennedy and his daughter Lucile were suffering with the flu, but not seriously ill. They are in Portland.

Several of the farmers were engaged last week in butchering. Willis Driver killed one fat hog that dressed 350 pounds, the side pieces being six and one-half inches in thickness.

The sad news reached this place yesterday of the death of Elsie Weberg, second daughter of Mr. and Mrs. Ollie Weberg to die of influenza, and that another girl was very seriously ill. Mr. and Mrs. Weberg are old time residents of Wapinitia and their many friends here extend their heartfelt sympathies for their sad bereavement.

Mr. Kuger arrived Friday from Idaho and is visiting his daughter (to last page)

## THREE YOUNG GIRLS DEAD

(Wapinitia)

Three deaths have occurred in the Weberg family the last week from influenza.

The funeral of Alice Weberg was held Friday at the Kelly cemetery.

Sunday morning at 1, Elsie, the third daughter of the family, passed away and was laid to rest Monday.

Wednesday morning at 6:30, Ruby, the second daughter of the family, passed away and will be laid beside her sisters in the Kelly cemetery Thursday.

These events have cast a gloom of sadness over this entire community as the girls were all born and raised here and well known and loved by everyone in the community.

Words cannot express the sympathy we have for the bereaved family in this sad hour. The funeral services were all open air services and conducted by Rev. Geo. Chapman, the pastor here.

Alice Weberg was born November 9, 1902, passed away January 7, aged 16 years and 2 months.

Elsie May Weberg was born March 28, 1907, passed away January 12, aged 11 years, 9 months, 15 days. Elsie gave her heart to her Saviour when 10 years old and has lived a beautiful Christian life since.

Ruby Weberg was born May 4, 1905, passed away January 15, 1919.

## White-Whaite

A. M. White and Miss Lewalta Knowler, daughter of Mrs. H. A. Whaite were married at Hood River Tuesday and arrived here on the 3:10 train Wednesday afternoon. That evening a large crowd gathered around the Philmore home where the bridal party were being entertained and rendered an immense charivari of good wishes, after which they were invited to treats. The remainder of the evening was spent in dancing and games. A general invitation is extended by Mrs. Philmore to a shower tomorrow evening at her home in honor of Mr. and Mrs. White.

They leave a heartbroken father and mother, two brothers, Leonard and Harry, and three little sisters, Helen, Leah and Mable to mourn their loss, two infant sisters having preceded them. They were sweet and loving girls, always ready to lend a helping hand in the home and Sunday school in which they took great interest. The home will be badly broken up, but may they meet in the Kingdom of God is the mother's prayer.

The Portland Painless Dentist office will be open and ready for business on and after January 12, 1919. All work guaranteed. W. T. Slatten, D. D. S., Prop., 305 Second St., The Dalles.

Mr. and Mrs. G. W. Mallatt and son Gerald went to Milwaukie Tuesday to visit Mrs. Mallatt's relatives a week.
