POWER OF THE BUZZARD.
The power of the buzzard to sail through the air for long periods with little or no apparent movement of the wings is due to its expanse of the wing surface. Birds with smaller wing surface make up for this by rapidity of the motion of the wings.

Approved by Experience.
An eastern clergyman says that kissing is a relic of the dark ages. There are many customs that come down from the dark ages—eating, for one.—St. Louis Globe-Democrat.

Knife vs. Wife.
"Most men," began the almost philosopher, "are aware that it is bad manners to eat with their knife, but lots of them also forget that it is sometimes good policy to eat with their wife."

Victims of Epilepsy.
The names of Caesar, Mahomet, Napoleon and Byron spring to mind as among the most illustrious list of illustrious men who have suffered from epilepsy. Shakespeare makes Cassius tell his hearers that "Caesar hath the falling sickness."

Nothing is Lost.
Everything lives, flourishes and decays; Everything dies but nothing is lost: For the great principle of life only changes its form, and the destruction of one generation is the vivification of the next—Good.

The Important Question.
It is all right to say that a bag of sand tied to a mule's tail will stop his braying, but who will do the tying?

MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back hurts or Bladder bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system. When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.

LISTEN TO THIS! SAYS CORNS LIFT RIGHT OUT NOW

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn or callous stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain. A small bottle of freezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried as it is inexpensive and is said not to irritate the surrounding skin. If your druggist hasn't any freezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.—Adv.

World's Languages.
It has been estimated that the one billion people of the world speak 3,064 languages. The number of men and women in the world is said to be about equal.

On a Commercial Basis.
Gerald gave his grandmother a little gift for her birthday, and she said: "Well, you are a good lad; I shall give you a nickel for yourself," to which the little chap replied, "But, grandma, the present cost 15 cents."

Useful.
An ounce of pulverized borax put into a quart of boiling water and bottled for use will be found useful for taking grease spots from woolen goods.

Unfortunate Fact.
There is one guess that is pretty accurate. Men who make speeches like to make them.—St. Louis Globe-Democrat.

Odd.
Harker—"Your friend Lambley is rather an odd chap, isn't he?" Parker—"Yes—result of a plunge in the stock market a few years ago." Harker—"How's that?" Parker—"He failed to come out even."

Hot Water for Sick Headaches
Tells why everyone should drink hot water with phosphate in it before breakfast.

Headache of any kind, is caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood, through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins. A glass of hot water with a teaspoonful of limestone phosphate in it, drank before breakfast for awhile, will not only wash these poisons from your system and cure you of headache but will cleanse, purify and freshen the entire alimentary canal. Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless as sugar. If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath or have colds, indigestion, biliousness, constipation or sour, acid stomach, begin the phosphate hot water cure to rid your system of toxins and poisons.—Adv.

EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.—Adv.
