It is now up to the FARMERS, STOCKMEN, and BUSINESS MEN to support their guarantee by each one of us taking our full limit in shares of stock at \$25.00 per share. These shares will be placed in every community and sold through our committeemen, you will find their names below.

Do you know what the LIVESTOCK INDUSTRY means to our county and state?

It is the backbone and foundation of PERMANENT AGRICULTURE. The basis of all industry.

Livestock maintains the fertility of the soil without which long continued successful crops of fruit, vegetables and grain are impossible.

Livestock is the source of meat, milk, clothes, for the people of the world.

Livestock is the foundation of the business prosperity of this section.

Livestock supplies the bacon, the shoes, the clothes, and one of the component parts of the ammunition of the GREAT WORLD WAR.

THE PACIFIC INTERNATIONAL can do for the LIVESTOCK INDUSTRY of the NORTHWEST what the CHICAGO INTERNATIONAL has done for the MIDDLEWEST.

It will promote purebred stock industry and provide a market for fat stock.

STOCKMEN SHOULD GET BEHIND the greatest boost the industry has ever had.

This is purely a voluntary subscription and is a test of your faith in the livestock industry.

A share of stock entitles the holder to a LIFE MEMBERSHIP in the organization, free admission to the show and RINGSIDE PRIVILEGE which money cannot buy. It also gives the holder the right to vote and to help elect directors and means you will be a special guest of the International at every show. It means a permanent home for the ANNUAL PACIFIC INTERNATIONAL LIVESTOCK SHOW.

Portland is meeting the outside subscription dollar for dollar. The State Legislature has appropriated \$25,000 annually for premiums at the International.

Real Estate to the value of \$190,000 has been donated and subscriptions will be used to erect a permanent building covering 7-1-2 acres. Your shares will therefore represent valuable real estate security.
