Did You Ever Do This? Visitors or strangers coming into an office are often embarrassed by the discourtesy of office employees who ignore their presence—or wait for some one else to inquire the visitor's errand. Any employee who happens to be near when a stranger enters should address him courteously and ask if he can take a message or be of assistance. The visitor's impression of the employer often is affected by the attitude of the employee.—Biddy Bye.

In Lapland. In all parts of Lapland there is a numerous class of poorer Lapps whose herds of deer are too small to enable them to live on the mountains or to trust to them entirely for subsistence. These are called Wood Lapps and they live in the woods and forests that abound in the country. There are also the Fishing or Coast Lapps. These have a fixed abode, and if they wander it is only for a short distance.

Too Easy. Newlywed (explaining poker)—"Now, if you get a poor hand you want to bluff, and if you get a good hand, you want to make a bluff that you're bluffing. Now there are two ways of bluffing; one is to bluff, the other not to bluff. If you're a regular bluffer, you can often bluff by not bluffing, and—" Mrs. Newlywed—"I see, John, dear, but that game is too ridiculously easy. Let's play checkers."

Value of Ideals in Life. I am one of those men, and I am sure their number is legion, who believe that you cannot get the best results without ideals. To live a life without ideals must be a dull existence; however ambitious these ideals may be, or however modest, I am certain that those people who do possess them get far greater results than the less happy people who do not.—Admiral Sir Rosslyn Erskine Wemyss.

Keeping Cut Flowers. Most kinds of cut flowers will keep for a long time if they are completely immersed in water. Place the blossoms in bowls of water every night, and take them out and rearrange them in the morning. The flowers will often appear as fresh as if they had been newly gathered.—Popular Mechanics Magazine.

Get the Habit of Drinking Hot Water Before Breakfast Says we can't look or feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts. There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments. People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

Why Japanese Tea is Liked. One feature which marks tea curing in Japan is the proverbial cleanliness which is characteristic of the Japanese people. The rules of sanitation are strictly observed by the tea growers of Japan. Not only the health and sanitation of workers are strictly examined by local tea associations, but also the process of curing is inspected with great care. Japanese teas have never been artificially colored as have been teas from some other countries.

Capable of Anything. Almost everything has been laid to diseased teeth except murder; and one never can tell what might be the outcome of jumping toothache.—St. Louis Globe-Democrat.

IN MISERY FOR YEARS Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

COMB SAGE TEA INTO GRAY HAIR Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

Work for me and I know it will help others if they will give it a fair trial. —Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as these are continually being published? Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its use, experience is at your service.

IF BACKACHE OR KIDNEYS BOTHER Eat less meat, also take glass of Salts before eating breakfast.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Cuticura for Pimply Faces. To remove pimples and blackheads smear them with Cuticura Ointment. Wash off in five minutes with Cuticura Soap and hot water. Once clear keep your skin clear by using them for daily toilet purposes. Don't fail to include Cuticura Talcum.—Adv.

Question for Nature Lovers. Why does the oak, sturdiest of trees, bear but a small acorn, while the tender pumpkin vine bears such a weighty fruit? That the latter runs along the ground and the fruit is thereby assured of support is not true, for the vine will climb whenever and wherever opportunity is given and will retain its hanging fruits to maturity, even though the latter weigh 100 pounds each.
