MONROE & CRISSELL Bestow Praise Generously. Let us not be niggardly with a word of praise or encouragement as far as our own dear ones are concerned. The world will offer them neither—in fact, it cares absolutely nothing about them. Therefore, if we hope to bring out what is worth while in our children, or if we would make them truly happy, we must become their staunch allies. Otherwise, we are playing a losing game and can only look for defeat.

Richest Pearl Fisheries. Although most of the bays and inlets of the remote island groups of the South Seas have been stripped of their pearl-bearing bivalve mollusks by venturesome world-wayfarers, there continues to be found occasionally small areas of these waters that have been untouched by pearl divers and which often yield wealth to the explorers. The richest pearls in the world are those adjacent to the picturesque beach town of Broomoe.

Writing Without Punctuation. Chinese do not need punctuation or any other mark. It might be doubtful from the foreign point of view whether a language is possible that has done away with punctuation. The fact is, however, that punctuation is no longer necessary for Chinese. The characters, besides performing a function of their own, take over that also of the period, comma, hyphen, interrogation, exclamation mark, etc.

Burma's Sassamum Crop. Over 500 different types of husked rice or paddy were under examination last year at one of the government agricultural farms in Burma, and over 200 types of sassamum were grown at another. Hitherto much of the sassamum grown in Burma has been exported to Europe, where it is used for the production of the so-called "olive oil," for which France and Italy have long been famed.

It Works! Try It
 Tells how to loosen a sore, tender corn so it lifts out without pain.

No hump! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness. This drug is called freezone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous. Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers.

This drug freezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin. Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.—Adv.

EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.—Adv.

Why Busy People Have Leisure. They say that the busiest people have the most time to give in service to others, can turn clear attention to a new subject at an instant's notice. This is simple because the busiest people, the ones who are accomplishing the most, have learned the art of prompt action, of quick dismissal of what has to be done. They can give you at any moment undivided attention because their minds are clear and ready.

Watch Cuticura Improve Your Skin. On rising and retiring gently smear the face with Cuticura Ointment. Wash off Ointment in five minutes with Cuticura Soap and hot water. It is wonderful sometimes what Cuticura will do for poor complexions, dandruff, itching and red rough hands.—Adv.

TYPHOID is no more necessary than Smallpox. Army experience has demonstrated the almost miraculous efficacy of the most recent typhoid vaccine. Be vaccinated NOW by your physician, you and your family. It is more vital than house insurance. Ask your physician, druggist, or send for "Live Your Own Typhoid" telling of Typhoid Vaccine, results from us, and dangers from Typhoid Carriers. **THE CUTICURA LABORATORY, BERKELEY, CAL.** PRODUCE VACCINES & SERUMS UNDER U.
