MAUPIN SOUTHERN WASCO COUNTY, OREGON, FRIDAY, MAY 9, 1919

THE YEAR \$1.50

Whang---Wasco---

Whitewash

Maupin took the first game of the season from Wasco in a one-sided game Sunday by a score of 20 to 0. The Wasco team was short of pitchers and the long ride caused the one-sided score. The "Gang" was up on their toes and pounded the ball from the word go. Nye slashed out a three bagger to start the ball rolling and all of the rest followed suit. Ernest Confer defended the third bag, his old position, and we are sure glad to see him back. Skinner has his curves and fast ones working fine and it was impossible for them to hit. The entire team was in the game all the time. A fine crowd watched the slaughter and the home team sure appreciate the way the fans turned out. Maupin will go to Grass Valley next Sunday and we will appreciate a good bunch of rooters. Let's go and root for the team.

Roosevelt Highway

Important Subject

Times received during the past week an even dozen copies of coast newspapers and exchanges boosting the Roosevelt highway and the following paragraphs are copied from some of the articles:

Two sections of Oregon that are separated by a great distance geographically on account of two barrier mountain ranges are figuratively joining hands for a united drive on the ballot boxes at the special state election in June. That great stretch of empire known as Eastern Oregon is enthusiastically working to give the coast counties of Oregon the Roosevelt highway. (to last page)
