MAUPIN SOUTHERN WASCO COUNTY, OREGON, FRIDAY, MAY 16, 1919

THE YEAR \$1.50

Victory

Maupin takes another game by a score of 12 to 3 from Grass Valley on the Grass Valley ground. The Grass Valley team put up a hard scrap but they were outclassed when it came to the stick. Skinner pitched his same old fast ones and the first seven men who

faced him laid er down. Big Bill sure caught a good game and when it comes to getten em out of the dirt he is a bear. Hockey worked on first and was in the game all time. Morris pulled a very snappy play by catching a man between second and third which got the team out of a bad hole. Confer got the idea that he

was back after Fritz and drove a mile scoring a couple of runs. The manager got a stough spell and heaved one over the grand stand and let in two score (bone head). Mr. Nye the comedian and speed merchant went round and round stealing everything from first to the hotel. Cliff and Cunnie, snagged everything that came near and hit the pill like old vets. Official ump Kaiser being absent Lawrence Stoyall officiated. No game Sunday, game May 23 at Wasco.

Mark of Appreciation

As a mark of appreciation to one of our esteemed soldiers, Nicholas Koroles, who has been fighting for our country, some of our countrymen entered his homestead cabin during his absence and stole everything that was necessary for housekeeping.

No doubt crops will be good in his vicinity since his farming implements were all taken and evidently used.

This wholesale theft was caused no doubt by the erroneous report of his death while fighting overseas for our country.

On returning last week from overseas duty Nick made his home a visit, planning to remain overnight. Arriving at a late hour he found all blankets and utensils gone, so he was obliged to return to Maupin and sleep in a chair, the only available rest.

A man who has given up his own country and is willing to give his life for ours certainly should be shown more respect. Any information leading to the recovery of Nick's property will be appreciated.
