**His Tribute.**  
Hans was on a visit to his grand-

**SAGE TEA TURNS  
GRAY HAIR DARK**

It's Grandmother's Recipe to  
Bring Back Color and  
Luster to Hair.

That beautiful, even shade of dark,  
glossy hair can only be had by brew-  
ing a mixture of Sage Tea and Sul-  
phur. Your hair is your charm. It  
makes or mars the face. When it  
fades, turns gray or streaked, just an  
application or two of Sage and Sul-  
phur enhances its appearance a hun-  
dredfold.

Don't bother to prepare the mix-  
ture; you can get this famous old  
recipe improved by the addition of  
other ingredients at a small cost, all  
ready for use. It is called Wyeth's  
Sage and Sulphur Compound. This  
can always be depended upon to bring  
back the natural color and lustre of  
your hair.

Everybody uses Wyeth's Sage and  
Sulphur Compound now because it  
darkens so naturally and evenly that  
nobody can tell it has been applied.  
You simply dampen a sponge or soft  
brush with it and draw this through  
the hair, taking one small strand at a  
time; by morning the gray hair has  
disappeared, and after another applica-  
tion it becomes beautifully dark and  
appears glossy and lustrous. This  
ready-to-use preparation is a delight-  
ful toilet requisite for those who de-  
sire dark hair and a youthful appear-  
ance. It is not intended for the cure,  
mitigation or prevention of disease.

**IF BACK HURTS  
BEGIN ON SALTS**  
Flush your kidneys occasionally  
if you eat meat  
regularly.

**Greedy for Wasps.**  
The common green frog has been  
discovered to possess an insatiable  
greed for wasps. This extraordinary  
appetite does not seem to be in the  
least checked by an occasional sting.  
The protecting color of the frog, which  
sits motionless upon leaves, no doubt  
deceives the most wary of insects into  
a sense of security.—Louisville Courier-  
Journal.

No man or woman who eats meat  
regularly can make a mistake by  
flushing the kidneys occasionally, says  
a well-known authority. Meat forms  
uric acid which clogs the kidney pores  
so they sluggishly filter or strain only  
part of the waste and poisons from the  
blood, then you get sick. Nearly all  
rheumatism, headaches, liver trouble,  
nervousness, constipation, dizziness,  
sleeplessness, bladder disorders come  
from sluggish kidneys.  
The moment you feel a dull ache in  
the kidneys or your back hurts, or if  
the urine is cloudy, offensive, full of  
sediment, irregular of passage or at-  
tended by a sensation of scalding, get  
about four ounces of Jad Salts from  
any reliable pharmacy and take a  
tablespoonful in a glass of water be-  
fore breakfast for a few days and your  
kidneys will then act fine. This fa-  
mous salts is made from the acid of  
grapes and lemon juice, combined with  
lithia and has been used for genera-  
tions to flush clogged kidneys and  
stimulate them to activity, also to neu-  
tralize the acids in urine so it no longer  
causes irritation, thus ending bladder  
disorders.  
Jad Salts is inexpensive and cannot  
injure; makes a delightful efferves-  
cent lithia-water drink which all regu-  
lar meat eaters should take now and  
then to keep the kidneys clean and the  
blood pure, thereby avoiding serious  
kidney complications.

**An Awful Break.**  
Squiggs—"Well, I see that porch  
climber finally escaped from jail.  
Broke out, I understand." Squaggs—  
"Say, now, for the love of billycups  
and badges, don't hand us that old  
stuff about measles." Squiggs—  
"Wouldn't think of such a thing; this  
fellow broke out with chickenpox."

Such ! ? ! ? ! ? ! This kind of rough  
talk will be heard less here in town if  
people troubled with corns will follow  
the simple advice of this Cincinnati  
authority, who claims that a few drops  
of a drug called freezone when applied  
to a tender, aching corn or hardened  
callous stops soreness at once, and  
soon the corn or callous dries up and  
lifts right off without pain.

**Brogue.**  
Brogue occurs when an entire popu-  
lation of alien blood or tongue acquires  
the tongue language of its conquerors  
or its subjects or its neighbors, as the  
case may be; and acquires it, natu-  
rally, with a difference, importing into  
the foreign speech many of its own na-  
tive peculiarities.

How Great Poems Were Written  
Two of the greatest poems in the  
language were written by chums com-  
peting against each other in friendly  
rivalry. They undertook to work at  
these poems for six months and then  
compare results. Keats went to the  
Isle of Wight and wrote "Endymion,"  
and Shelley went to Marlow and, lying  
in a boat on the Thames, wrote "The  
Revolt of Islam."

**Babylon in its Prime.**  
At the time the priests betrayed  
Nebuchadnezzar and permitted Cyrus  
to enter the city of Babylon, the stu-  
dents were learned in astrology, kept  
time with sun dials, and a water clock  
by night, fashioned rude telescopes; and  
the rich had perfected a system of  
entertainment never equaled in lavish-  
ness.

**The Second Cheshire Cheese.**  
The celebrated little old tavern in  
London, just off Fleet street, so often  
associated with Doctor Johnson and  
his friends, is not the original build-  
ing, that having been destroyed by the  
great fire of 1666.

**High Spire.**  
The highest spire in the world is  
that of Ulm cathedral, which is 530  
feet in height; it was completed in  
1890.

**THAT CHANGE IN  
WOMAN'S LIFE**  
Mrs. Godden Tells How It  
May be Passed in Safety  
and Comfort.

Fremont, O.—"I was passing through  
the critical period of life, being forty-  
six years of age and  
had all the symptoms incident to that  
change—heat flashes,  
nervousness, and was in a general run  
down condition, so  
it was hard for me  
to do my work.  
Lydia E. Pinkham's  
Vegetable Compound  
was recommended to me as the  
best remedy for my  
troubles, which it  
surely proved to be. I feel better  
and stronger in every way since taking it,  
and the annoying symptoms have disap-  
peared."—Mrs. M. GODDEN, 925 Na-  
poleon St., Fremont, Ohio.

Such annoying symptoms as heat  
flashes, nervousness, headache, head-  
ache, irritability and "the blues," may  
be speedily overcome and the system  
restored to normal conditions by this  
famous root and herb remedy Lydia E.  
Pinkham's Vegetable Compound.  
If any complications present them-  
selves write the Pinkham Medicine Co.,  
Lynn, Mass., for suggestions how to  
overcome them. The result of forty  
years experience is at your service and  
your letter held in strict confidence.
