YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly to a tender, aching corn or callous stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain.

A small bottle of freezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.—Adv.

New Screw Fastener.

An Australian inventor has patented a screw fastener for wool bale bands that enables the bales to be made tight and permits the use of narrow bands, thereby saving steel.

Death and Cruelty.

Death is no cruelty or hardship, or your Creator would not have made us suffer it; but cruelty to animals is a deadly sin.—Walter Winans.

Every blade of grass is a study; and to produce two where there was but one is both a profit and pleasure.—Lincoln.

The sight of a battlefield after the fight is enough to inspire princes with a love of peace and a horror of war.—Napoleon I.

Cuticura Soap for the Complexion.

Nothing better than Cuticura Soap daily and Ointment now and then as needed to make the complexion clear, scalp clean and hands soft and white. Add to this the fascinating, fragrant Cuticura Talcum and you have the Cuticura Toilet Trio.—Adv.

Lines to Be Remembered.

A man who is good enough to shed his blood for his country is good enough to be given a square deal afterward. More than that no man is entitled to, and less than that no man shall have.—Theodore Roosevelt.

Best Government.

The proper function of a government is to make it easy for people to do good and difficult for them to do evil.—Gladstone.

For we know in part and we prophesy in part.—First Corinthians.

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well.

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles

so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 5th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years experience is at your service.

Down to Brass Tacks.

This is a printer's slang phrase. When a compositor exhausts the type in his "case" and "gets down to brass tacks," it means that he is down to rock-bottom, or gone the limit.
