FAIR ASSOCIATION GETS GROUND

Near Tygh Valley

The case of the Southern Wasco County Fair Association vs. W. H. McAtee et al, which has been on trial in the Circuit Court for the past two days was finished late yesterday afternoon when Judge Fred W. Wilson rendered a decision in favor of the plaintiff. Some twenty witnesses were examined on both sides and many legal questions raised and argued.

The effect of the decision secures the title in the fair association to the 40 acres of land near Tygh Valley upon which the present fair buildings are located. From statements made yesterday after the decision, it is not considered likely that an appeal will be taken to the supreme court.—Chronicle, Wednesday.
