HILL MILITARY ACADEMY PORTLAND, OREGON OPENS SEPTEMBER 17, 1919 Women Senators of Old. Rome, as early as the year 218 A. D., recognized a senate of women. This senate, though, differed from most others by confining its considerations and its discussions to matters of etiquette and dress. The assembly had the approbation of Elagabalus and held its meetings in the Quirinal. Cruelty, extravagance and vice were the outstanding characteristics of the reign of Elagabalus. Hence, the necessity of having conferences of the sort.

Worth More Than That Now. On June 20, in 1632, the patent of Maryland, granted to George Calvert, Lord Baltimore, was after his death made over to his son, Cecilius Calvert. King Charles signed the new patent and gave to the grant of land the name of Maryland, in honor of his queen, Henrietta Maria. While Lord Baltimore held the grant he paid for it yearly to the crown of England two Indian arrows, which are still on exhibition at Windsor castle, England.

YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezezone applied directly on a tender, aching corn or callous stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain.

A small bottle of freezezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.—Adv.

Calendar Facts. The month of January always begins on the same day of the week as October and the same is true of April and July, September and December, February, March and November also begin on the same day of the week. This, however, is only true in normal years of 365 days. A century can never begin on Wednesday, Friday or Saturday. Furthermore, the ordinary year ends on the same day of the week as that on which it begins.

Change Wrought by Time. The old-fashioned boy who used to be tickled to death when his daddy gave him a nickel to spend now has a small boy who doesn't know that there are any coins below the half dollar.

Daily Thought. A man's own observation, what he finds good of, and what he finds hurt of, is the best physic to preserve health.—Bacon.

MOTHERS TO BE

Should Read Mrs. Monahan's Letter Published by Her Permission.

Mitchell, Ind.—"Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to other expectant mothers. Before taking it, sometimes I suffered with neuralgia so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of neuralgia, I had gained in strength and was able to go around and do all my housework. My baby when seven months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine do me so much good."—Mrs. PEARL MONYHAN, Mitchell, Ind.

Good health during maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.
