Speaker's Sore Throat. "Clergyman's sore throat" is, according to Dr. John J. Levgarg of New York, due to an incorrect method of breathing, which causes the speaker or singer to use his muscles incorrectly and thus overtax the throat. The proper way to breathe is to use the diaphragm and the lower ribs, keeping the upper chest full of air.

No Place for Him to Die. Daniel Webster, taken ill one day in a town, of decided Democratic leanings, begged his friends to take him home at once. "I was born a Federalist," he pleaded. "I have lived a Federalist, and I can't die in a Democratic town."

Resist the Impulse. The impulse to write poetry is one that at one time or another convulses every one of us, but our notion is that quite a number ought to control and smother it and very few ought to attempt it without first consulting friends and the family physician.—Houston Post.

Hit it Right That Time. "How the Blanks could afford to give such a grand dinner I don't understand," said Mrs. Blunderby to her guest. "It was really a most presumptuous repast."—Boston Transcript.

Hint on Gas Globes. To clean gas globes, wash with soap and warm water in which a little saits of lemon has been mixed. The great difficulty in the way of getting the ground glass used for some globes to look white is the grease which sets closely in the roughness.

Laugh When People Step On Your Feet
Try this yourself then pass it along to others. It works!

Ouch! ? ! ? ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn or hardened callous stops soreness at once, and soon the corn or callous dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callous from one's feet. Millions of America's women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezone tell him to order a small bottle for you.—Adv.

Glass-Bottomed Bucket. A curious sight at Palermo is to see the fishermen spearing fish by the aid of glass-bottomed buckets. There are many corners of the world where fish are speared, but perhaps the use of the glass-bottomed bucket in this connection is to be seen only at Palermo.

Road to Wealth. We often thought what a pity it is that a man can't dispose of his experience for as much as it cost him.—Esbridge Independent.

Freshen a Heavy Skin With the antiseptic, fascinating Cuticura Talcum Powder, an exquisitely scented convenient, economical face, skin, baby and dusting powder and perfume. Renders other perfumes superfluous. One of the Cuticura Toilet Trio (Soap, Ointment, Talcum).—Adv.

Oldest Cathedral. Canterbury is the oldest cathedral in England. Chichester and Winchester come next in antiquity.

Woman's Superiority. Men's tailors frequently fail to fit their customers, because, as someone has said, tailors do not perform miracles. But women's tailors have better luck, for in their case the women perform the miracles.—Kansas City Star.

Nothing New. "All the world's a stage,"—and yet some people look upon the revolving stage as a modern idea.—Boston Transcript.

Privilege of Money. Clothes don't make a man, but it's only the millionaire who can go about his business looking like a rhapsicker.

Now Raises 600 Chickens After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me.

"I saw the Compound advertised in our paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters.

Women everywhere in Mrs. Alters' condition should profit by her recommendation, and if there are any complications write Lydia E. Pinkham's Medicine Co., Lynn, Mass., for advice. The result of their 40 years experience is at your service.
