E. Lake many years ago. Mr. Briggs and his son were killed by the Indians in 1861, on their return from the mines at Florence, being on their way to their home in Albany. They were returning by way of Barlow Gate when overtaken by Indians who were incited by some white men to commit the murder, mistaking them for parties who had driven and sold a drove of beef cattle to the miners and were thought to be carrying the money. They had some difficulty in finding the graves, though they were visited and marked some six years ago by a daughter Mrs. Emma Anderson who resides in Portland.

A heavy rain fell here Friday and the weather became very cool a frost falling Sunday night.

### Maupin School News

High school pupils averaging 90 per cent or more in the first month's tests are: Leonard Farlow, 98.75; Mabel Cyr, 95.6; Lester Crofoot, 93; Ida Duncan, 91; Lewis Derthick, 90.5.

Our new flag has arrived. Flag salute: I pledge allegiance to my flag and to the republic for which it stands; one nation, indivisible, with liberty and justice for all.

"How is school a goin'?" Fine! Come and see for yourself.

"For life, not for school we learn."

"Work, not worry, brings success." If our work is done diligently and conscientiously neither teachers nor pupils should worry over results. Worry is destructive. Labor omnia vincit (Labor conquers everything).

The attendance in the primary room has been nearly perfect this month. We hope it continues so.

## IRRIGATION CO. TO RAISE PRICE NOV. 1

### Present Rate Till Then

The Stockholders of Wapinitia Irrigation Company, in their annual meeting ratified the suggestion of the Company's officers to raise the price of water 20 per cent, making the price \$60 per acre foot.

Since 1914, the time Wapinitia Irrigation Co. purchased the property, every known commodity has increase in cost 50 to 100 per cent. A shovel in 1914 cost 75 cents, today it costs \$1.65 to \$2. All tools and implements are higher proportionately. Labor in 1914 was obtainable at \$2.50 to \$3.00 per 10 hour day. Now it is \$4.00 to \$7.00 per 8 hour day. Today the water is flowing over the lands of Wapinitia Plains as a guarantee of service well performed, so \$60.00 today is cheaper water than \$50.00 was in 1914.

The price will not be raised until November 1st, 1919. All contracts made prior to that date will stand good at \$50.00 per acre.

The Company needs 20 more men for construction in the mountains, at good wages and convenient quarters are arranged for, that the necessary work for next season may be completed.

See N. G. Hedin at Wapinitia for particulars in regards to all matters pertaining to water or work.

### Church Notice

There will be regular services at the Free Methodist church both morning and evening every Sunday. We give every one a cordial invitation to come.
