Dead to Be Left in France.

Paris.—The 65,000 American dead in France must be left in the graves they now occupy until the French are ready to exhume their own dead, which it is hoped will be before January 1, 1922. The foreign office has promised to consider the latest request of the American government for the return of its fallen soldiers, but later the following official announcement was made:

"It has been definitely decided that the allies who fell together for the same cause should remain together in death until circumstances permit of the returning of the bodies to the families for whom they sacrificed themselves."

The proposed law forbidding the exhumation of soldier dead for three years did not pass at the last session of the chamber of deputies, but the foreign office expects that it will be adopted soon. This bill specifies a delay in exhumation of three years from the promulgation of the law, but it is expected that this period will be shortened. At the foreign office it is said to be probable that the exhumation will commence considerably before January, 1922.

11 Die, 60 Hurt in Cairo.

Cairo.—Eleven natives were killed and 60 wounded Thursday by British troops, who opened fire on a crowd which besieged the police station during the course of a demonstration. Ten of the wounded are reported to be in a serious condition. The demonstrations were continued during the day, but in an orderly manner.

Maynard to Fly Again.

New York.—Lieutenant B. W. Maynard, winner of the recent transcontinental air race, announced Sunday that he expects to start within the next 8 days on a one-stop flight from coast to coast. He hopes to cover 1500 miles in a single hop with a remodeled De Havilland plane.

What's a Husband, Anyway?

"Did the fair defendant introduce any character witnesses?" "A dozen at least." "And did they say anything good about her?" "They all swore she was kind to her poodle."

Patent Pipe Stuffer.

Two Californians have patented a device that measures a pipeful of tobacco from a pouch or box and stuffs it into a pipe without contact with a user's fingers.

Salem.—Taxes on all dogs more than eight months old are due and payable January 1, 1920, according to a legal opinion given by I. H. Van Winkle, assistant attorney-general. This law, which was passed at the last session of the legislature, applies to all dogs in the state. The tax on female dogs is \$2 a year and male dogs \$1 a year. Payment of the tax entitles the applicant to a leather collar and license plate, which must be furnished by the county in which the dog is licensed.

Chehalis.—George R. Walker, secretary of the Southwest Washington Fair association, reports a good market again developing for draft horses and has made a number of purchases the past few days from Lewis county farmers. Mr. Walker made his first shipment last week, the animals going to Tacoma. The animals he is purchasing are for Tacoma and Seattle buyers.
