The regular monthly session of the Commercial Club opened Saturday night with L. Kelly in the chair. A number of important issues were discussed, the main question being the hard surfacing of the new market roads, nine or sixteen feet. The nine foot was favored. A committee was elected to meet with representatives from Maupin to select the new road supervisor. The standardization of the high school was agreed and the club will help furnish the money, so they will be allowed their share of the county funds. A social will be given in the near future. It was recommended that N. G. Hedin draw resolutions asking the County Court that the Claussen-Lewis road survey up Paquet Gulch be opened up. Mrs. E. A. Hartman, Len Wilson and N. G. Hedin are the program committee for the next three months. It was decided that the Farm Bureau and Commercial Club be consolidated. The committee on road signs reported and signs will be posted in the near future. The Club will meet the first Saturday in each month. All interested invited.
