Even an oyster has a brain of a sort; and a clam likewise. The brains of fishes are very inferior, as compared with those of mammals, but the optic lobes are enormously developed, because finny creatures, to get the food they need, must be able to see well in dim light under water. Reptiles generally are very stupid creatures, and so it is not surprising to find that their brains are remarkably small. That of a 12-foot alligator is no bigger than your thumb.

## How Competition Helps You

The competition that exists among the hundreds of meat distributors, large and small, means

Rivalry in Prices  
Rivalry in Service  
Rivalry in Economy  
Rivalry in Quality

Swift & Company sells meat at the lowest possible price, consistent with quality and service. Our profit of only a fraction of a cent a pound on all products is evidence of keen competition.

Swift & Company must provide the best service to your dealer or he will buy from our competitors. This means a supply of fine fresh meat always on hand for you at your dealer's.

Swift & Company must keep down manufacturing and selling costs, and use all by-products to avoid waste, or else lose money meeting the prices of competitors who do.

Swift & Company must make its products of the highest quality, or see you turn to others. This means better meat for you and a greater variety of appetizing, wholesome food.

We are as glad for this competition as you should be. It helps to keep us on our mettle.

**Swift & Company, U.S.A.**

**It Works! Try It** Tells how to loosen a sore, tender corn so it lifts out without pain.

**Let Cuticura Be Your Beauty Doctor** All drugists; Soap 25c, Ointment 25c & 50c, Talcum 25c. Sample each free of "Cuticura, Days, & Weeks."

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness. This drug is called freezone and is a compound of ether discovered by a Cincinnati man. Ask at any drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous. Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers. This drug freezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin. Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.—Adv.

Garfield Tea was your Grandmother's Remedy for every stomach and intestinal ill. This good old-fashioned herb home remedy for constipation, stomach ills and other derangements of the system so prevalent these days is in even greater favor as a family medicine than in your grandmother's day.—Adv.

**Piling More Than 400 Years Old.** Many of the piles in use in Amsterdam are 200 or 400 years old. That part which is not in the ground in salt water is often bored by a pile-worm near the surface, but it is preserved by driving in nails with very large heads, so as to give the pile an iron coating. This coating is then transformed by the water into a layer of rust, which protects the wood from the pile-worm. This process must be repeated every 15 years.

**Remarkable Tattooing.** Perhaps the most extraordinary tattooing idea ever carried out was that of a French coachman, who, at the time of the celebrated Dreyfus trial, had his body covered with no fewer than 120 illustrations of the case, including portraits of the leading personages. The work occupied nearly two years.

**Don't Forget Cuticura Talcum** When adding to your toilet requisites. An exquisitely scented face, skin, baby and dusting powder and perfume, rendering other perfumes superfluous. You may rely on it because one of the Cuticura Trio (Soap, Ointment and Talcum). 25c each everywhere.—Adv.

Those of us who would have our days glide by peacefully should not expect too much at the hands of others. This is a strenuous age—indeed, almost every minute of every hour is all too crowded for the average person. There is but one honor code to go by—play fair. The girl or woman who does so will have absolutely no regrets, and will prove a real inspiration to others around her.—New York Evening Telegram.

**MURINE'S** Rests, Refreshes, Soothes, Heals—Keep your Eyes Strong and Healthy. If they are Smart, Itch, or Burn, if Sore, Irritated, Inflamed or Granulated, use Murine often. Safe for Infant or Adult. At all Druggists. Write for Free Eye Book. Murine Eye Remedy Company, Chicago, U. S. A.
