Breaking all Records
 Right now—when milk prices are breaking all records—in the time to make new high records in milk production. It is surprising how effectively this can be accomplished by raising the health standard of your dairy cows.
 The most prevalent cow ailments—Abortion, Retained Afterbirth, Bunches, Lost Appetite, Scours, etc.—arise from an impaired condition of the genital and digestive organs. Now-Kure has remarkable medicinal properties that act directly on these organs, producing regular, healthy action.
 Feed dealers and druggists sell Now-Kure, in 6c. and \$1.20 packages.

Need for Both Law and Sword.

YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS
 You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezezone applied directly on a tender, aching corn or callous stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain.
 A small bottle of freezezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried as it is inexpensive and is said not to irritate the surrounding skin.
 If your druggist hasn't any freezezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.—Adv.

Taking Garfield Tea keeps the system clean, the blood pure and the general health good. Buy from your druggist.—Adv.
 If you can't tell the truth, do not tell anything. If you do not wish to answer a man's question, tell him that if you did it would embarrass him and yourself, and he'll be glad to let you off.
