Poor Johnie!

By Herbert W. Copeland [Eyesight Specialist]

school

To test the children's night, A good idea, the world moves on; The plan I think is right,

Poor boy he has it bad; Dalles with the baby who is sick. He cannot see to do his work, No use to scald the lad!"

> "Dear Mr. Small," said she, Your Johnny's quite myoptic and I think that you'll agree That be should be attended to;

His case I do deplore, For him to fail to do his work. It grieves me more and more,"

The boy gave her a note, It's from my pa," was all he said, Here's what the father wrote: My dear Miss Smith, you did just right

lo givin' me the facts; I thrashed him good and hard last night For his myopic acts,

'If he ever bothers you again Or ever bre ks a rule,

I was t to know t right away He mu tlehave in school"! Poor Johnny Smali! His lot was hard.

..... long the best Le could! When Nature fails to do her part

Next mern, before the school bell | The rod can do no good.

If Mr Small had known the meaning of the word myopic he would have taken Johnny to a specialist for repairs to his eyes His heart "was in the right place," but he did not understand.

HERBERT W. COPELAND, Principal of Macpin School, also graduate and licensed

OPTOMETRIST

treats cases of hypermetropia, presbyopia, mycpia, and astigmatism with properly fitted glasses.

See him on Saturdays or evenings, not at any time that will interfere with school duties.

Why strain you eyes to read when relief is so casily obtained?
