

THE WARD WATERS COMPANY.

A PROGRAM of entertainment entirely out of the ordinary will be heard by local patrons fortunate enough to hear the Ward Waters Company. Some eight or ten years ago Mr. Waters headed a lyric company, but the stage attracted him, and he abandoned the platform for the field of comedy. He has now returned with an art ripened and matured. With Mrs. Waters and Miss Witmer, a gifted contralto, he will present a unique program of artistic whistling, dramatic plays, impersonations and vocal numbers. Mrs. Waters has, in several years' experience in stock companies and in a most clever, personable list of child characters. Miss Witmer has a voice of real beauty and of fine power. The combination of talents in the company is unusual and permits of a diversified program, all well done.
