VOL. 6, NO. 22

MAUPIN SOUTHERN WASCO COUNTY, OREGON, FRIDAY, MARCH 12, 1920

THE YEAR \$1.50

Facts

Mr. George W. Mallatt who landed in our midst some few years ago and started renting on the McAtee and O'Brien farm on Juniper Flat March 9th, 1920 bought of Hauser & Dahl 1040 acres of well watered farm land, making in all 1880 acres in his name. A pretty good record for twelve years. Who can beat it?

Tygh Valley

Claud Foster had a peculiar accident Sunday while crossing Tygh creek fill in his car. The steering gear broke, the car running thirty feet straight ahead before swerving and crashing into the extreme end of the bridge; well, if the bridge had not been there the car would have dropped about 12 feet onto the rocks. Foster was hurt but the car was a total wreck.

Signs and more signs. The sign painter at Tygh has had a busy week.

Clem Matthews has moved his racing quarters from here. Clem had a little dispute about the price of horse feed with the owner of the barn, but to the disappointment of several spectators the matter was settled by arbitration instead of the old fashioned way.
