many interesting things concern-  
ing the movement.

The stork was quite active here  
last week; on Thursday it left a  
little daughter at the home of Mr.  
and Mrs. Floyd Eubanks and Sun-  
day a little son arrived at the  
home of Mr. and Mrs. Godleup  
Tuschner. Both little strangers  
seem well contented with their  
new homes and have announced  
their intentions of staying.

brought Mrs. Dodge over from  
Wamic Sunday where she had  
been helping care for the sick at  
the Magill and blackerby homes  
the past month. Mr. Blackerby  
and son went on across the Nena  
and visited at the Alvie Wilcox  
home, returning Monday afternoon.

N. G. Hedin did not return  
home last week as was announced  
but is expected any day.

Mrs. Louise Rice was called to

Julius Shipplin went to The  
Dalles Friday for medical treat-  
ment, returning Monday. He is  
a bit very poorly.

County Agent Fluharty spoke  
at the school house here Saturday  
evening. Owing to his coming  
being not widely known, not a  
very large crowd was present.  
Mrs. Bigbee had charge of the  
meeting. It was announced that  
the commercial club will meet  
March 20. Mr. Fluharty will be  
here then and complete the or-  
ganization of the farm bureau.  
Everybody interested in the wel-  
fare of this section come. Don't  
forget your lunch basket for re-  
freshments will be served. Date  
Saturday evening, March 20.

H. N. Dodge has contracted  
from Gabel Bros. to build a road  
from Wapinitia to the flat, com-  
mencing at the creek and coming  
out near the Herb Hammer ranch.  
Much of the distance will be quite  
difficult to build as it will have to  
be blasted out of the rock. Ben  
Egan and Ed Bernard commenced  
working for him Monday.

John Ward and Len Wilson  
spent several days in The Dalles  
last week looking after business  
affairs.

Mrs. Bigbee and Ruby Wilson  
attended the teacher's institute at  
Tygh Saturday.

Several men of the ditch com-  
pany spent Friday and Saturday  
in the mountains repairing a  
washout on the ditch. They re-  
turned Tuesday to complete the  
job. They report about six inches  
of snow there and the ground

frozen a foot deep.  
Several relatives gathered at  
the parsonage Sunday, the occa-  
sion being Rev. Parker's birthday  
and all enjoyed a big dinner.

spent Sunday in Dufur at the  
home of her parents where her  
mother is sick. Geo. Osborne  
took them over in his car.

tian Endeavor was held at the

but not to buy. He did not go to  
British Columbia.

from Portland.

land today, going to the Dalles  
with Jim Hartman in their car.  
Lincoln goes to receive medical  
treatment.

Two Red Cross sewing machines  
will be auctioned off March 20th  
at the commercial meeting.

On the fringe of the western ocean  
Towers a coastline rugged and  
strong

As if guarding some precious secret  
From the eyes of an alien though  
The spruce and fir on the hilltops  
Seem struggling to do their share

In protecting this wonderful  
treasure

Of Nature's, rich and rare.  
Far beyond lie rivers and moun-  
tains,

Forests, hills and plains—  
Surely a bit of the promised land  
Kept green by gentle rains.

The pioneers came through the  
eastern gate

To the land they had sought  
and won

Where their dreams and hopes  
were realized,  
'Twas the land of Oregon.
