## Harvey Vanderpool

Harvey Vanderpool, younger son of W. C. Vanderpool of Nampa Idaho, passed away at his home there a week ago Wednesday and was brought to Dufur and laid beside his mother in the family lot last Friday. Harvey had been a victim of creeping paralysis since he was a small child and his death was expected. He was about 18 years of age and had made many friends everywhere he lived with his kind and patient disposition.

## Base Ball!

Next Sunday, April 4th will be a big day for Maupin. One of the best ball games of the season is to be played on the local field. The Dufur fans will be over with the strongest bunch of players they have ever had on the field. It promises to be interesting from the record of games in the past years has been very well divided. Last year two games were played between the two teams, Maupin winning one and Dufur one. The

Maupin team is handicapped as the second baseman, Arthur Morris will be out on account of sickness. But however, with plenty of reserve men on the string we expect to let the Dufur lads know they have been in a real ball game. Come out and see what the boys have to offer. The game will be called at 2:30 p. m. and admission 25 and 85 cents.

## Cars in America

You know how you hate to fill up the grease cups on your car—keep putting it off from day to day, week to week, until your car fairly "screams" for grease. You can install an Alemite System in the time it ordinarily takes to "grease her up" once, and ever afterwards its a 5 minute job to grease you car and grease it right. 500 pounds pressure on your shackle bolt grease connections in five seconds with the Alemite "gun".

For all makes of cars.

Ask the following users who have installed Alemite:

Grover Slusher—Buick  
F. C. Butler—Oldsmobile  
Ray Kaylor—Oldsmobile  
Harry Gabel—Chevrolet
