Base Ball!

We had a chance last Sunday of witnessing what base ball experts claim to be the most closely contested ball game ever played on the Maupin field. The game proved to be a hummer from the very start and not until Maupin made a score in the 13th inning did the onlookers know which team would carry off the spoils of victory. The final score at this time was 4 to 8 in favor of the home team. The boys all did excellent playing and deserve much credit for the way they handled the ball and the sportsman like spirit that prevailed during the progress of the game.

The same teams will battle again next Sunday on the Dufur field. Every one who possibly can should go over and root for the home team.

The schedule of games for the Maupin team is next Sunday, April 11th, Maupin vs. Dufur at

Dufur; April 18th, Antelope vs. Maupin at Maupin; April 25th, Wasco vs. Maupin at Wasco; May 2; Wasco vs. Maupin at Maupin. Remember the dates and watch this paper for future announcements. Figure on the big game with Antelope at Maupin April 18.

Commercial Club

Maupin Commercial Club organized April 9th and now has 30 members. Saturday, April 17th, 7:30 p. m. will be next meeting. Come out and bring your families and friends.

The matter of a deputy assessor for this district would be a good subject to take up at this meeting. More members wanted.

Relatives here received word last Monday that Mrs. Annie Osterland had passed away at her home at Sumpter, Oregon, of heart trouble. She was about 52 years old. She was a pioneer of this section and a sister of Mrs. Henry Peterson, formerly of this place, but now of The Dalles, and Miss Nellie Weberg, Mrs. Bertha Johnson, and Mrs. Laughlin. Mrs. Smith, Alfred and Ollie Weberg are cousins. She also leaves an aged husband and one child besides a host of relatives and friends to mourn her loss.

Mrs. Joe O'Brien is visiting her mother at Dufur.

John Powell received a telegram Thursday telling of the serious illness of his mother at Grandview, Wn. He left immediately for there.

The new church organ arrived here Saturday and Jackson Rice brought it up from Maupin. It came just in time for the Easter services. The community sing which was to have been given tonight was postponed until a later date on account of the heavy rain here. Roads are very muddy and slick.

County Judge Adkisson and Commissioners Hix and Clausen met here Saturday. They came to confer with the taxpayers of this place and Maupin in regard to the Market Road money voted on last winter. Their proposition to the people of this road district was to let Dufur have all the county money this year, and this section all next year. They explained that more road work could be built next year than this and much cheaper, as the county equipments for road building could all be in one place. A large delegation from Maupin was present and the idea did not seem to strike very favorably and after much discussion it was decided to leave the matter to the road committee consisting of five men from here and five from Maupin to decide the matter and report to the County Court at The Dalles Wednesday. N. G. Hedin, E. A. Hartman and Jack Kelly went in to meet the Court and report their decision.

Several new buildings are under construction at Pine Grove.

J. S. Brown was a visitor at The Dalles Wednesday.

Irma Smith came up from Portland Saturday and spent Easter with home folks.

R. W. Richmond brought out a new Ford Saturday for Lewis Walters.

A little son arrived this morning, Friday, at the home of Mr. and Mrs. Sidney Wilson. The new comer tipped the scales at 8 pounds and seems well contented with his new surroundings.

Mr. and Mrs. Ollie Weberg were The Dalles visitors Thursday. W. A. Dane met with what might have been a severe accident at the mill Tuesday. He was walking past a pile of timbers which toppled over and fell on him, burying him completely and but for the timely assistance of David Sharpe who saw the accident, he couldn't have got out. He escaped with only minor bruises.

The weather has somewhat moderated from last week. Farm work has been resumed. Last Friday was about the stormiest day of the winter, a regular blizzard all forenoon.

Mrs. W. O. Wilson was operated on at The Dalles hospital Saturday. Mr. Wilson is in town with her. Len and Sidney went in Sunday and report her as doing

fine.

N. G. Hedin arrived Saturday from Portland having made a record trip, leaving there at 8:30 a. m. in his Dodge and arrived here at noon. He came over the highway and announces he has come back to stay for the summer.

Mr. and Mrs. Pete Olson come over from Shaniko Sunday and visited at the Walter Driver home.

Mr. and Mrs. Clyde Fliun and Ed Barnard left here Saturday for The Dalles where Ed was operated on at the hospital Monday.

Rev. J. I. Parker is attending the Convention of the Interstate Church movement in The Dalles.

Mrs. W. H. Mayfield and family came over from Smock Saturday to make the acquaintance of her new grand daughter at the Virgil Mayfield home.

A splendid ball game was played off here Sunday between the local team and the Indian team of Symnasio, the score being 9 to 6 in favor of the local team. Wapinitia expects to play Tygh Valley next Sunday.

Bill McClain took about 25 head of cattle Wednesday belonging to different ones here to his ranch on the hill to pasture.

Jamie Abbott was a visitor at The Dalles the first of the week.

The Easter exercises were well attended. The church was beautifully decorated with evergreens and ferns. A splendid program was rendered by the Sunday school.

Tygh Valley

Tygh Valley Garage has been repainted and a gasoline pump installed.

Dewy Lofton's 'bug' is receiving considerable attention from the boys. It is rather attractive looking and we predict an epidemic of bugs in the neighborhood. The next thing we will need is a lighthouse.

Hauser and Dahl are still engaged in lambing at the Faulk place. Andy Kistner is assisting with Mrs. K. doing the cooking.

The dance at Wamis was attended by a number of young people from Tygh Valley.

J. T. Harper who is suffering from a paralysis of his right hand is, we are glad to say, considerably improved.

Mrs. Stephen Wing who has been seriously ill for the past week is also much improved.

Fishing season is now on. B.

sure to carry your license along.

F. P. Mays was a visitor for a few days last week.

Practise game was played between Wamic and Tygh last Sunday. The boys are showing considerable enthusiasm.

It pleased us to see Maupin win Sunday. The game was long but one of the best games that the correspondent has seen for some time.
