The say's mighty deep, to be sure." Then he suddenly stopped short; and, looking up to the officer on watch, he explained: "Bad luck to me, sorr, if I don't believe somebody's cut off the other end of this line!"—Congregationalist.

**THOUSANDS JOIN BOY SCOUTS.**  
Thousands of applications for associate membership in the national council continue to pour into the office of the Boy Scouts of America, 200 Fifth Avenue, New York, since boy scout week came to a close.

Checks ranging from \$1 to others running into several figures continue to pile up the results of the nationwide drive, which has already enlisted 1,000,000 men and women.  
The new financial auxiliary thus created brings the total membership of the Boy Scouts of America up to a million and a half, which includes approximately 400,000 active scouts and 100,000 leaders.  
Notwithstanding the tremendous size of this organization, it is conducted with a professional force of but 300 paid workers, mostly scout executive hired by the business men of the larger cities. The rest are volunteers, and according to James E. West, the chief scout executive, "they give from three to thirty hours a week to scouting, finding in the joy of the work alone more than sufficient compensation."

**SCOUTING CURES LAWBREAKING.**  
"The constant reports of young men from sixteen to eighteen breaking the laws in various parts of the country seem to tell the story," and show that there must be an intensive campaign carried on to teach our young folks loyalty, patriotism and respect for the laws of their country," says Whitman E. Smith, who has recently taken up the work in Portland, Me., of a boy scout executive.  
"From my experience in the work for the last four years, it seems to me that the community never had a greater need for the scout program for boys than it has today."

"I find in communities where no particular attempt has been made to give publicity to the work that people are awake to the possibilities of the scout program and believe that the future of the movement is greater than it has been since its inception."  
Mr. Smith is the first scout executive to be employed in the state of Maine.  
**SCOUTS DETER "HICK WALKERS."**  
"Protect the 'jay-walkers' despite themselves," is the slogan adopted by the boy scouts of Philadelphia, who have been working in conjunction with the Rotary club in the "Cross at Crossings" campaign.  
When the scouts covered the business part of the city in mass form several late shoppers protested when advised for safety's sake to cross at the crossing. Despite the protests of the "jays" and "hick-walkers," Scout Executive Goodman said the scouts were determined to help that element.

**"UNCLE DAN" WAS "PREPARED."**  
While speaking before a large audience Daniel Carter Beard was suddenly asked to tell the difference between a tax and a fine.  
Although as national commissioner of the Boy Scouts of America, "Uncle Dan" closely follows the motto of "Be Prepared," in this case he had to hesitate for a second.  
Then from his lips came the aphorism, "A tax is a fine on legitimate business, while a fine is a tax on illegitimate business."

**Beginning Another Chapter.**  
A woman was so fond of pets that when death overtook her 19-year-old cat she was not long in getting a young kitten to fill the place of puss. Whereupon her small neighbor gravely carried the news to his mother that the woman "was starting another cat."

**Laugh When People Step On Your Feet**  
Try this yourself then pass it along to others. It works!

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness.  
This drug is called freezezone and is a compound of ether discovered by a Cincinnati man.  
Ask at any drug store for a small bottle of freezezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous.  
Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers.  
This drug freezezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin.  
Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezezone have him order it for you.—Adv.

**Matter of Meals.**  
While in the largest cities it is a fact that the heaviest meal of the day occurs at night, it is also a fact that in the smaller cities, of 200,000 population and below, the heaviest meal occurs at noon. The reason for this, of course, that in the largest cities there is an exodus at evening to the suburbs, where the family reunion is held over the dinner table, whereas in the smaller cities people are able to go home to midday lunch.
