## Base Ball

The big excursion to Madras last Sunday was a grand success and proved to be the biggest thing pulled off by the base ball management so far this season. About 150 people from Maupin and vicinity made the trip and everyone was in a good mood for enjoyment so a jolly time was in session from the time the train pulled out at 9 in the morning until it arrived in the evening. The weather was ideal for the trip and the scenery up the river was at its best. The R. R. Co. furnished a nice train and good natured crew so everything went off smoothly. Train arrived in Madras about 11:15. A number of Madras people were at the train with cars to transfer excursionists to the hotels. They were all expecting a big crowd so no one had to go hungry.

The ball game was called at 2:30. It was a very interesting game but the Madras boys were outclassed in every particular. The final score was 4 to 0 in favor of Maupin. The excursionists left Madras at 6 o'clock, getting into

Maupin about 8:30. The game with Madras makes the 9th victory for the Maupin team this season without a loss.

The schedule of future games is next Sunday, May 23, Maupin vs. Antelope at Antelope; May 30, The Dalles vs. Maupin at Maupin; June 6, Tygh Valley-Wanic vs. Maupin at Maupin; June 13, Goldendale, Wn., vs. Maupin at Maupin.
