## USED CARS

The Covey Motor Car Company is in the used car business because it has to be. We do not like it particularly nor find it profitable. We must however take in many used cars if we are to sell new ones, and so large a percentage of our sales involve the trading in of some other car that we find we must turn over our used cars with the least possible effort. We have always believed that used cars could be rebuilt and refinished so as to be a keen competitor to the new car business and that a reputation could be built that would prompt every buyer to give first and most serious consideration to the cars we have to offer. In this manner we would increase our sales and decrease our sale effort. The original idea has proven true, it is not copied by others as it is rather expensive and leaves no margin of profit for the dealer. You however, undoubtedly get your money's worth.

## Banish Unhappy Thoughts.

If you wish to attract friends and to do your best work, keep your mind filled with sunshine, with beauty and truth, with cheerful and uplifting thoughts; bury everything that makes you unhappy and discordant, everything that cramps your freedom and worries you. Bury it before it buries you. Adopt the sun-dial's motto: "I record none but hours of sunshine."—Orison Swett Marden in Chicago Daily News.

## Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

That which is claimed to be the finest stonemason work in the world is to be seen in the ruins of Inca palaces in Cuzco, Peru. Not even a needle can be inserted between the great blocks. The microscope shows that these stones were wrought with tools of champi, an alloy of copper and tin.

## Average Life, Thirty-Three Years.

Good authorities give the average duration of human life as about thirty-three years. One quarter of the people on the earth die before the age of six, one-half before the age of sixteen, and only about one person of each one hundred born lives to the age of sixty-five. The deaths are calculated at sixty-seven a minute, 97,970 a day and 35,639,885 a year. Births are calculated at about seventy a minute, 100,800 a day and 36,792,000 a year.

## Cuticura Comforts Baby's Skin

When red, rough and itching with hot baths of Cuticura Soap and touches of Cuticura Ointment. Also make use now and then of that exquisitely scented dusting powder, Cuticura Talcum Toilet Trio.—Adv.

## When to Smile.

As long as things go well with some folks, they are chipper as a basket of chips; but the minute they feel a pin prick of hard luck, their faces are as long as a hammer handle. Men with the real stuff in them smile the biggest when the tug at their hearts is hardest.

## Shave, Bathe and Shampoo with one Soap.—Cuticura

Cuticura Soap is the favorite for men's shaving.
