**USED CARS**  
The overhauling, rebuilding and refinishing of a used car is only as good as the determination of the dealer to make it so. It has been said that we do too much to our used cars to insure a reasonable profit, but we are content in the knowledge that after looking around, the buyer usually returns for something he has seen and tried out from the Covey Motor Car Plant. ## Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

Jud Tunkins.

"The city man," said Jud Tunkins, "who thinks he knows all about how to run a farm is generally a chap who doesn't take the trouble to keep the grass cut in his own front yard."

Beware the infected man whose germs fly about the world seeking whom they may defile. "Spare the brush and spoil the teeth"—that's what pays the pyorrhea specialist.
