Destructive Elements are Attacking Your Home, Season in and Season Out

Protect it NOW with -
FULLER
PAINT

NO house or building, regardless of how well constructed, can long withstand the elements without the protection of good paint. Sunshine, rain, snow, ice and wind; all have their harmful effects in one form or another.

Many old structures are in better condition than comparatively new ones because they have been preserved through the use of good paint.

Every brushful of FULLER Paint applied to your house or building means not only protection against destructive elements, but keeps up appearances as well.

FULLER Paint saves a great deal more than it costs. 71 years of FULLER Paint-making Experience has established a high standard of quality.

Take a few minutes and make a survey of your house or building. And remember---there's a FULLER Paint or other Product for everything that needs preserving or beautifying.
