Leave for New Home

Mr. and Mrs. Jerome Buzan are moving to a forty acre ranch at Newberg. Their household goods were shipped Wednesday. Mr. and Mrs. Buzan expect to make the trip via the Columbia highway. Jerome Buzan is one of Eastern Oregon's pioneers, coming to Umatilla in 1881 later going to Bakeoven where he has resided 19 years. Mr. Buzan recalls the time when he hauled wheat to Umatilla Landing, a three days journey at which time the main line of the O. W. R. & N. was the only railroad and Hunt's Ferry was the only means of crossing the Deschutes River at Maupin and the Shaniko Branch the only rail pierceing the interior of Eastern Oregon. Ralph, Frank, Will, Ora Buzan and Mrs. T. A. Lindley, sons and daughter of Mr. Buzan will continue to reside in Wasco Co. The many friends of Mr. and Mrs. Buzan will be sorry to lose these good friends and neighbors and only the best wishes for happiness and prosperity follow them to their new home.

Wanic town property for sale—Morris Bros.

Clud Wilson of Bakeoven was in the Times office Wednesday and reported the sale of his property known as the Harvey Ranch near Bakeoven to W. D. Aldridge.

Crabtree-McCorkle

A very quiet wedding was solemnized at the Christian Parsonage Wednesday when Agnes McCorkle and Raymond Crabtree were united in marriage. Only a few of the immediate relatives witnessed the impressive ring ceremony which was used. The bride wore a charming afternoon frock of blue taffeta and velvet and the groom wore a conventional business suit. The young couple are well known in this part of the country. They will be at home to their friends on their ranch near Maupin.

Real Community Spirit Shown

Mrs. Callie M. Bigbee of Wapinitia High School has been appointed director of the Wasco County Juvenile Booth at the State Fair.

She will be assisted in the work by Mr. Bonnell the manual training teacher of The Dalles.

Mrs. Bigbee accompanied by representatives of the Corn and Cooking Clubs of Wapinitia passed through Maupin on their way to Salem where they expect to spend a delightful week and at the same time boost Wapinitia and Wasco County.

Misses Josephine O'Brien of the cooking club, Messers Roy Woodside and Floyd Richmond of the corn club were the distinguished members chosen to assist Mrs. Bigbee in the work for Wapinitia.

The happy delegates will be joined in The Dalles by different representatives of Wasco county, then proceed immediately to Salem where they will make a united effort to get their booth in shape by Monday the 27th, at opening hour and thereby receive an extra \$100 for expenses.

The Wapinitia delegates were loaded down with samples of their works of art and expect to cop some prizes. We certainly wish them all the success possible.

A united effort by Southern Wasco county would undoubtedly accomplish some good as the outside has no way of knowing what we have unless we show them.

"Here is success to united effort!"
 "It ain't the individual, nor the army as a whole, but the everlasting team-work of every blood-soul."

One who appreciates.

Formaldehyde and Blue Stone for sale at the Maupin Drug Store. George Cunningham sold his stock farm up the Deschutes, last week to Bruce Bothwell.

Stop at the Crescent Garage for free air, information, camp grounds, while at the Tygh Valley Fair.

A Full Yield from the Whole Field

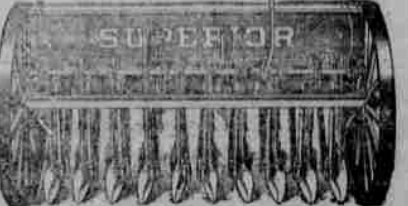

There is no idle land when a Superior Grain Drill is used in the seeding. It doesn't skip, clog or leave empty furrows. Distributes all the grain evenly at the bottom of the drill furrow insuring uniform covering. A full, even stand results, and the full stand brings the full crop. That's why

Superior Grain Drills

have won their way into the favor of the farmers who prepare and plant their fields for the extra bushels—the all profit bushels. Made of the choicest materials. Special features: Double run positive force grain feeds—two feeds in one. Parallel disc bearings guaranteed for life of drill. Superior telescoping steel conductor tubes—non-breakable; no buckling, linking, bending or collapsing. Superior patented oscillating drag-bars insure 50% more clearance.

Constructed for Use With Any Tractor

It will pay you to use this Drill because its effective and economical system will bring you greater profits in increased crops. Superior Drills are noted for lightness of draft, ease of operation and unusual strength.
