# Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of foot.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

In 1925.  
Mrs. Ledd Pulmer—Professor, after you have washed the dishes and helped the cook scour the sink and wipe up the pantry, you may give little Ethelinda her lesson on the Italian renaissance.—Life.

**The Cuticura Toilet Trio**  
Having cleared your skin keep it clear by making Cuticura your every-day toilet preparations. The soap to cleanse and purify, the Ointment to soothe and heal, the Talcum to powder and perfume. No toilet table is complete without them. 25c everywhere.—Adv.

**Spring's Promises.**  
It is not the variegated colors, the cheerful sounds and the warm breezes which enliven us so much in spring; it is the quiet, prophetic spirit of endless hope, a presentment of many happy days.—Margot Oplitz.

**Daily Thought.**  
Speech is but a broken light upon the depth of the unspoken.—George Eliot.

**Change of Tone Tells Much.**  
Susceptible persons are more affected by a change of tone than by unexpected words.—George Eliot.

**Islands Great Possibilities.**  
Smolen island, near Kristiansund, Norway, is a flat spot of land possessed of immense areas of peat bog. It is doubtful whether there is anywhere a better location for the production of peat in large quantities.

**Enjoyable Sensation.**  
Emily was tired one night and quite ready to go to bed. As she lay back on her little pillow she said, with a big sigh: "Oh, how I love to relapse!"
