Why stay in the same old rut year after year? Do you know when you have a bill charged you pay for having it charged? Do you know you also pay the other fellows bill; that doesn't pay at all. The credit system could not exist if it wasn't run that way. Why pay the other fellows bill? Will also carry a small supply of fresh meat. We have a full line of groceries including Great American Coffee, Karo Syrup, Fresh Apples, Oranges, Bananas, Nuts, Candies, Cigars, Tobacco, Potatoes and Sweet Potatoes.

### Big Turnout

Great enthusiasm was shown for the election here Tuesday. The highest number of votes were cast of any election since Criterion was made a separate precinct. Loyalty to the democratic administration was demonstrated by a vote of 87 for Cox and 66 for Harding.

About a dozen wrote their names in for constable and fifteen wrote in the name of W. H. Williams. O. B. Derthick was named eleven times for Justice of the Peace. However, he may not have to qualify as E. J. Fischer has four years of his term remaining.

The county returns show Senator Nickelsen, District Atty Galloway, County Clerk Crichton, Coroner Burget, F. L. Peterson for treasurer and L. B. Kelly for commissioner, elected over their opponents.

### Tygh Valley

Q. C. Morrow left for his new home at Boise last Saturday. Mr. Morrow rented his garage to Jones who will run it during the winter.

Z. A. Watkins left for Kent last Monday.

A number of our young people attended the dance at Wanuk last Friday.

Tygh Valley school has been growing so fast, that the school board at a special meeting held Oct. 19 decided to hire a new teacher. At present we have three teachers, Miss Blanchard, primary; Mr. Blanchard, intermediate, and H. S. Nedy, high school.

Supt. A. E. Gronewald visited our school Oct. 20, and seemed pleased with the grade of work done by the pupils.

A patriotic play, The Call of the Colors will be given by the school pupils Friday, November 12th. An invitation is extended to the people of the neighboring towns to be present.

Two grades, the ninth and tenth, are represented in our high school thus far. A cordial invitation is extended to the young people of Tygh Valley to take advantage of the new standard high school. Interesting courses are to be offered; basket ball and volley ball teams are to organize in the near future and contests of all kinds are to be arranged with the neighboring schools. Lets get together and make Tygh Valley high school the winning school of Southern Wasco county.

Be sure to attend the school play, basket social and dance at Tygh Friday Nov. 12th. Ladies please baskets.

A nice assortment of Ivory Pyralin, on display at the Maupin Drug Store.

### Muller-Cook

Miss Florence Muller of Tygh Valley very quietly surprised her many friends Wednesday when she became the bride of Lester Cook, a wealthy farmer of the Grass Valley section. The ceremony was read by Rev. Father O'Rourke at his residence in The Dalles, and witnessed by Mr. and Mrs. Guy Reddington, brother-in-law and sister of the bride. After a visit in Portland, Salem and other valley points Mr. and Mrs. Cook will be at home in their handsome modern cottage near Grass Valley.

### School Notes

The program given by the School Literary Society last Friday was a success. Several parents and friends were in attendance. We wish we might meet more of the patrons at these meetings. The next program will be given November 26th.

By accident Winifred Kaiser's name was omitted from those deserving special mention.

For your Savings Campaign we have enrolled 25. Just half enough.

For your health crusade we have enrolled 24. About 50 per cent. These figures are a little disappointing.

Exams Thursday and Friday of this week.

Do not forget the box social for the piano fund November 20.

Jory's have a lot of fine home grown tomatoes on sale. How is that for November?

## Going Down PRICES

WILL FOLLOW THE DOWNWARD TREND just as fast as the market will justify it, and we do not expect to wait until our present stock is sold before we reduce prices on goods in stock. Reductions have already been made on many staples. All shoe prices have been reduced 10 per cent, Gingham's Outing Flannels and Percales, regular 45 and 50 cent values reduced to 35 cents, Overalls and Khakis reduced 50 cents per pair, and other items will be reduced just as fast as the market shows a decline that will justify it. We desire to protect you at all times. However we ask that you do not expect too radical a reduction at once, as it takes, in the line of cotton goods, for example, four or six months for cheaper cotton to reach the consumer through the regular channels in the manufacture article. We verify this statement by calling your attention to the flour market which still holds high as compared to the present price of wheat.

## Ford Prices Before the War

In 1904-05 and 6 Ford Touring Cars sold for \$2,000.00 F. O. B. Detroit.

The new price is \$440.00 F. O. B. Detroit and the present Ford Cars are the best cars the Ford Motor Company ever made.

Regardless of 146,065 orders on file for immediate delivery and millions of dollars worth of high priced raw material on hand, the new Ford prices were fixed on a pre-war basis in an effort to bring the business of the country and the cost of living to normal again.

The war started in 1914. Compare the new Ford prices, now in effect, with the 1914-15 prices.

	New 1920 Ford Prices	1914-1915 Ford Prices
Chassis	\$360.00	\$410.00
Runabout	395.00	440.00
Touring Car	440.00	490.00
Sedan, with starter,	795.00	755.00 without starter
Coupe, with starter,	745.00	750.00 without starter

All the above prices are F. O. B. Detroit

The new Ford prices are a cut to the limit. The new Oregon allotment of 1176 Ford cars per month assures you of reasonably prompt delivery.

You want one---you need one---place your order now and get one.
