## School Notes

A Basket Social at Shattuck's Hall November 20th Saturday night. The proceeds to be applied on paying for a piano for the school.

The Ladies are ALL earnestly solicited to bring baskets, the not quite so young and the not yet quite so young as well as the young ladies married or not married. The baskets of the little misses from about the 7th grade down will be auctioned off in a separate lot for the especial pleasure of the little masters of the community.

I must assuredly beg pardon for using language that led some to believe that they were not included in the invitation to bring baskets. It was a much regretted blunder on my part. By order of the committee all are not only invited but solicited to bring baskets and be present for a pleasant social evening.

The class leaders for the 2nd month are:  
5th.—Ira Kidder.  
6th.—Helen Weberg.  
7th.—Winifred Kaiser.  
8th.—Arthur Philmore.  
Freshman—Hazel Williams.  
Sophomore—Mabel Cyr.  
Junior—Lester Crofoot.

Those deserving special mention from the Grammar Room are: Winifred Kaiser, Jean Wilson and Helen Weberg. From the Hi—Hazel Williams, Jess Walter, Lorraine Stovall, Mabel Cyr.

## Going Down PRICES

WILL FOLLOW THE DOWNWARD TREND just as fast as the market will justify it, and we do not expect to wait until our present stock is sold before we reduce prices on goods in stock. Reductions have already been made on many staples. All shoe prices have been reduced 10 per cent, Gingham's Outing Flannels and Percales, regular 45 and 50 cent values reduced to 35 cents. Overalls and Khakis reduced 50 cents per pair, and other items will be reduced just as fast as the market shows a decline that will justify it. We desire to protect you at all times. However we ask that you do not expect too radical a reduction at once, as it takes, in the line of cotton goods, for example, four or six months for cheaper cotton to reach the consumer through the regular channels in the manufacture article. We verify this statement by calling your attention to the flour market which still holds high as compared to the present price of wheat.

## Ford Prices Before the War

In 1904-05 and 6 Ford Touring Cars sold for \$2,000.00 F. O. B. Detroit.

The new price is \$440.00 F. O. B. Detroit and the present Ford Cars are the best cars the Ford Motor Company ever made.

Regardless of 146,065 orders on file for immediate delivery and millions of dollars worth of high priced raw material on hand, the new Ford prices were fixed on a pre-war basis in an effort to bring the business of the country and the cost of living to normal again.

The war started in 1914. Compare the new Ford prices, now in effect, with the 1914-15 prices.

|                      | New 1920<br>Ford Prices | 1914-1915<br>Ford Prices |

| Runabout             | 395.00                  | 440.00                   |
| Fouring Car          | 440.00                  | 490.00                   |
| Sedan, with starter, | 795.00                  | 755.00 without starter   |
| Coupe, with starter, | 745.00                  | 750.00 without starter   |

All the above prices are F. O. B. Detroit

The new Ford prices are a cut to the limit. The new Oregon allotment of 1176 Ford cars per month assures you of reasonably prompt delivery.

You want one---you need one---place your order now and get one.
