Financial Success

THANKS

For the decided success of the
Basket Social held last Saturday
night.

To the Community and con-
tiguous territory for the loyal
support given the school and its
agencies.

To the ladies one and all for
their artistically constructed and
bountifully filled baskets. But
even more for the genial, enjoy-
able presence that accompanied
each basket.

To the men one and all for their
almost lavish freedom in bidding
for the baskets and for the cour-
teous, companionable spirit that
made lunches a true pleasure.

To the Commercial Club and
its officers and committees in
charge of the various affairs for
their efficient and business like
manner of conducting the affair.

To Shattuck Bros. for their
generous donation of the use of
the Hall, and the kindly spirit
in which they aided the prepara-
tions.

To The Maupin Times for its
free and generous advertisement.

To the little folks whose
numbers were so much enjoyed
by all and to the more mature
ones, whose parts were well ex-
ecuted and especially to Mes-
sames Bigsby and Bothwell and
Messrs N. G. Hedin and Leon-
ard Wilson for their very enjoy-
able contributions.

To Mr. G. W. Mallatt for his
effective service as auctioneer.
Lastly to those that have do-
nated directly to the piano fund
as well as by their presence and
services.

The financial statement fol-
lows.

Receipts:	
From 60 baskets	\$224.00
candy booth	9.16

Donations:	
Mr. Dan Clark	5.00
Mr. French Butler	2.50
Mr. Bigsby	1.00
Total	241.66

With no deductions.

A piano has been chosen by
the committee and purchase
terms arranged. It will be
placed in the school for service
at the regular literary program,
Friday Nov. 26, to which all are
invited.

While the friends of the school
and the pupils are highly pleas-
ed by this substantial evidence of
the backing of the community in
their efforts for a better school,
they are also thus forcefully re-
minded that greater opportunities
mean greater efforts to live up to
them.

Let our pupils and our teach-
ers take up their work deter-
mined to return to the community
value received in the way of
better trained minds, more virile
and stanch characters and whole-
some devotion to nobler and
purer ideals of service to man-
kind.

Dainty Watteau Girls Visualize Fair
Court Ladies of Seventeenth Century
Program Combines Musician and Dramatic Artistry — Will Be
Heard in Unusual Entertainment Here in Near Future.

These two merry maidens are to give their delightful entertain-
ment here in the near future. They appear in the dainty, shepherdess costumes of
the seventeenth century—of the time of Watteau, the great French painter. The
Watteau Duo consists of Miss Anna Fano Harall and Miss Boyce Baker, two
of Maupin's cleverest young artists. Their program combines musician
and dramatic artistry. Do not miss the program of the Watteau Girls.
