Maupin Commercial Club News Items

We have held our annual meeting and elected new directors and new officers and intend to do something in the coming year. The new directors are L. S. Stovall, R. E. Wilson, H. L. Morris, O. B. Derthick, L. B. Kelly, J. H. Woodcock and R. B. Bell. Same president and secretary; R. E. Wilson, vice president, and O. B. Derthick, treasurer.

At a directors' meeting January 18th a vote was taken in regard to the appropriation of \$50,000 for advertising and developing tourist industry in this state, all but one being against it on the grounds that taxes were becoming burdensome and that as this community has not gotten their part of taxes and help from any source in the past, in their opinion all appropriation should be cut down instead of increased until the time this end of the county gets recognition.

Directors' meeting was called on the 19th at Morris Bros.' office for the purpose of further considering the road question of Maupin. The subject was given due consideration and Dr. Stovall was elected to confer with Road Supervisor L. J. Kelly and get Mr. Kelly's services in acquiring donation work and managing the graveling of Maupin grade. The Club is back of our representative in the County Court in all matters, especially in the plans of getting our grades out of Maupin graveled or hard surfaced
