ROSELTH KNAPP BREED, HUMORIST-ENTERTAINER, IS NEXT LYCEUM NUMBER

Roselth Knapp Breed, Boston's noted humorist, is one of lyceum's most popular entertainers. She presents a carefully arranged program of monologues, character sketches and short stories.

She is a clever interpreter and possesses a finished art which delights at all times. She is more than a reader; rather is she an interpreter of real people in real life. Her "types" are distinctive, and you marvel at her gifted character impersonations. Her work is an art—made so through years of earnest study and successful platform experience.

School Notes

The Maupin School is coming to the front! The High School ranks second in the county for percentage of attendance, up to January 28, the attendance being 98.8 percent. The lower grades rank 24th in the county for percentage of attendance being 95.4 percent. We are sorry to find, however, that we rank very low in visits from the School Board.

The High School pupils are spending all spare moments this week preparing for examinations, which will be held Thursday and Friday.

The School Literary Society will hold the regular meeting Friday afternoon, Feb. 25th. The program will be based on the birthdays of great men born this month.

A very enjoyable evening was spent by the High School pupils and Mr. Winn at a Valentine Party given by Hazel Williams at her home Monday evening. The evening was spent in playing games and having a general good time, after which delicious refreshments were served.

The members of the Maupin Athletic Club met at the I. O. O. F. hall Tuesday evening, Feb. 15 where some wrestling matches were held. There was no boxing because of torn boxing gloves. Some of the members are behind in their dues, and the Club will appreciate it if they will kindly pay up.

There will be two local institutes held in Wasco County this year, one at The Dalles, Saturday March 19, and one at Maupin, Saturday, April 2. A definite program and details will be sent to each teacher. Be planning
