VOL. 7, NO. 26

MAUPIN SOUTHERN WASCO COUNTY, OREGON, FRIDAY, APRIL 8 1921

THE YEAR \$1.50

Interest Shown

The Case Tractor and Oliver Plow demonstration conducted on the H. F. Bothwell ranch in Fairview district Tuesday was a success in every way. Many farmers attended during the day. Sandwiches and coffee were served at noon.

resented by J. B. Small and Fred Slake, and the Oliver Plow Works by W. E. Wilson and A. C. Barbo.

Special interest was shown in the work of the Culti-Packer used in breaking the soil where it is crusted around fall grain.

The cooperation of A. M. Winn, Maupin's high school principal in dismissing school for the

afternoon and attending enmass was very much appreciated by all and showed a spirit at one with our merited O. A. C. methods.

Frank Batty purchased a tractor and plow of R. E. Wilson Co. Mr. Wilson going out to the Batty ranch yesterday.

The Times \$1.50 per year.

School Notes

The Teachers institute held at Maupin last Saturday, April 2nd was a grand success. The program was opened in the morning by the Maupin High School Orchestra who played a few selections, followed by selections by The Dalles quintet, a talk by Mr. Tallman and a talk by Mr. Cannon. A sumptuous repast was then served by the good ladies of Maupin and communities, in the intermediate school room, where nearly two hundred people were served. After luncheon The Dalles quintette opened the program followed by a talk by Mr. Tatero on "short cuts in Arithmetic". Mr. Cannon then told a number of good stories. The program was closed with a few selections by the Orchestra. Three cheers to Mr. Cyr for helping the Orchestra and two cheers to the members.

The result of the third and fourth grade examinations show Lelah Weberg fourth grade leader and Harold Whaite third grade leader.

Last Tuesday afternoon the children and teacher of the primary room went flower picking, all had a nice time.

The class leaders of the intermediate room are:

Eighth—Clair Green.
Seventh—Jean Wilson.
Sixth—Helen Weberg.
Fifth—Earl Green.

Those averaging 90 or above; Jean Wilson, Winifred Kaiser, Helen Philme, Clair Green and Helen Weberg.

The pupils of the high school and intermediate rooms together with the teachers, Mr. Winn and Miss Page, went out to Fisk Bothwells ranch Tuesday afternoon and witnessed the Case Tractor demonstration given by R. E. Wilson. The demonstration consisted of two tractors, one pulling a three bottom plow, the other a double disc and a packer. The pupils took their note books along and made the afternoon a real study period along with the pleasure. The afternoon was enjoyed greatly by all, and the object of this was to bring each pupil in contact with the real work itself rather than just an explanation of it. We wish to extend our thanks to those who furnished us a ride out there and back. They were Mr. Chastain, Mr. Shattuck, Mr. Beckwith and Lester Crofoot.

The girls are still spending a portion of their time after school each evening on practising for the track meet at Tygh. A record is being kept this week of the time it takes each one to run the potato race.

A committee is working on the program to be given Saturday evening, April 23rd. The ones taking part in the intertainment are busy preparing their parts. There will also be eats of different kinds for sale. Every one is welcome.

A meeting was held at the B. Cook hall Tuesday by the Athletic club. This was supposed to be a business meeting but such a small number of members were present the business was postponed until next Tuesday evening. All members are expected to be present as we have so much business to discuss.

Base Ball

The base ball game last Sunday played between teams from Antelope and Maupin proved to be an enjoyable affair and full of interest from start to finish. It was closely contested, the

score at the finish being 5 to 4 in favor of the home team.

The game next Sunday with The Dalles promises to be one of the best games of the season. We are glad to learn Bill Miller will be in the line up for this game.

We are fortunate in getting so many good games scheduled at home. If the attendance proves sufficient to warrant it the local management intends to arrange the larger portion of the games for the season to be played on the local field.

The schedule for future games is, Sunday April 10th The Dalles vs Maupin at Maupin, April 17th Dufur vs Maupin at Maupin, April 24th Maupin vs Antelope at Antelope.

Highway Sure!

Definite location of The Dalles-California highway, which has long been a bone of contention between residents of Sherman and Wasco counties, this morning became an established fact when the State Highway commission, meeting at Portland with the Wasco and Sherman county courts and delegations of representative citizens, decided upon a route leading from The Dalles, through Dufur, Tygh Valley, across Deschutes river near Maupin, skirting the river to Criterion and thence southwest to Madras.—Wednesday's Chronicle.
