School Notes

The Literary Society held its last meeting this term on Friday May 6. Quite a few ladies attended and we hope they enjoyed the program.

The Society will continue to give these programs next term.

The Baccalaureate sermon for the graduating classes will be given Sunday, May 22nd, 7:45 p. m. at the school house by Rev. W. A. Matthews of Simnasho. Rev. Matthews is well known in this section of the country. He will give an interesting discourse appropriate for the occasion. Good music will also be a part of the services. Everybody is cordially invited.

The Graduating class exercises will be held in Shattuck's hall May 27. Dr. Kilpatrick will be the chief speaker of the evening.

Thursday and Friday of this week are the high school examination days. The results of these exams will determine who's who on the exemption list. They will be dark days for the eighth grade as the pupils of that grade will take their state final exams then.

Some of our pupils are beginning to look cheerful as vacation is but two weeks in the future.

We thank you,
The School.

Cullins registered extreme displeasure with his fits, receiving as good as he sent. Spectators and players separated the two.
